The Testing Trap George Hillocks, 2002-04-12 Do statewide assessments really do what they are supposed to do Through interviews with over three hundred teachers and administrators Hillocks examines whether state writing tests in Illinois Kentucky Oregon New York and Texas actually improve students ability to express their thinking in writing Ultimately Hillocks argues that the majority of existing tests actually have a harmful effect on the way students are taught to write In addition to providing analyses of assessments that do not encourage good writing The Testing Trap contrasts them to those that do Concluding with practical procedures for examining and evaluating writing assessments this book is a provocative and essential read for administrators teachers policymakers parents and all who care about the education of our children

Beyond the Bubble Test Linda Darling-Hammond, Frank Adamson, 2014-06-16 Performance assessment is a hot topic in school systems and educators continue to analyze its costs benefits and feasibility as a replacement for high stakes testing Until now researchers and policymakers have had to dig to find out what we know and what we still have to learn about performance assessment Beyond the Bubble Test How Performance Assessments Support 21st Century Learning synthesizes the latest findings in the field and not a moment too soon Statistics indicate that the United States is in danger of falling behind if it fails to adapt to our changing world The memory and recall strategies of traditional testing are no longer adequate to equip our students with the skills they need to excel in the global economy Instead teachers need to engage students in deeper learning assessing their ability to use higher order skills Skills like synthesizing information understanding evidence and critical problem solving are not achieved when we teach to multiple choice exams Examples in Beyond the Bubble Test paint a useful picture of how schools can begin to supplement traditional tests with something that works better This book provides new perspectives on current performance assessment research plus an incisive look at what is possible at the local and state levels Linda Darling Hammond with a team of leading scholars bring together lessons learned new directions and solid recommendations into a single readily accessible compendium Beyond the Bubble Test situates the current debate on performance assessment within the context of testing in the United States This comprehensive resource also looks beyond our U S borders to Singapore Hong Kong and other places whose reform mindedness can serve as an example to us

Deeper Learning James A. Bellanca, 2014-11-14 Education authorities from around the globe explore deeper learning a process that promotes higher order thinking reasoning and problem solving to better educate students and prepare them for college and careers Relying on research as well as their own experience the authors show how to use intensive curriculum instruction assessment and leadership practices to meet the needs of 21st century learners *The*
