important indicator of how the power of workers influence in labor management relations has dwindled over the same period

Outclassed Joan C. Williams, 2025-05-20 An eye opening urgent call to mend the broken relationship between college and non college grads of all races that is driving politics to the far right in the US Is there a single change that could simultaneously protect democracy spur progress on climate change enact sane gun policies and improve our response to the next pandemic Yes changing the class dynamics driving American politics The far right manipulates class anger to undercut progressive goals and liberals often inadvertently play into their hands In *Outclassed* Joan C Williams explains how to reverse that process by bridging the diploma divide while maintaining core progressive values She offers college educated Americans insights into how their values reflect their lives and their lives reflect their privilege With illuminating stories from the Portuguese admiral who led that country's COVID response to the lawyer who led the ACLU's gay marriage response and more Williams demonstrates how working class values reflect working class lives Then she explains how the far right connects culturally with the working class deftly manipulating racism and masculine anxieties to deflect attention from the ways far right policies produce the economic conditions disadvantaging the working class Whether you are a concerned citizen committed to saving democracy or a politician or social justice warrior in need of messaging advice *Outclassed* offers concrete guidance on how liberals can forge a multi racial cross class coalition capable of delivering on progressive goals
