

Life Science Journal

(Acta Zhengzhou University Overseas Edition)

Life Science Journal, the overseas edition of the Zhengzhou University Acta, is an international journal intended to enhance the free international dissemination of scientific and sociological knowledge. Papers and reports directly related to the life sciences—in a broad sense of the term—are welcome. Thoughtful articles on topics indirectly related to the life sciences will also be considered for publication. Papers submitted may be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writing. Let us work together to disseminate our research results and our thoughtful opinions.

Instructions to Authors

1. General Information

(1) **Goals:** As an international journal published both in print and on the internet, *Life Science Journal* is dedicated to the dissemination of fundamental knowledge of all aspects of the life sciences and related topics. The main purpose of *Life Science Journal* is to enhance the spread of knowledge by means of open-minded publication. The journal includes full-length papers (original contributions), review articles, rapid communications, and debates and opinions.

(2) **What to do:** *Life Science Journal* provides an international forum for the dissemination and discussion of scientific news, theory and such philosophy as may promote scientific progress. Research reports and other texts containing new and significant information of general interest are welcome.

(3) **Who may contribute:** All people in all countries are welcome to submit manuscripts in English.

(4) **Publication costs:** The journal production costs are paid by Zhengzhou University.

(5) **Journal copies delivered gratis to authors:** One hard copy of the journal will be provided free of charge to the author(s).

(6) **Additional copies available to authors:** Journals can purchase offprints and the hard copies of the journal at the price of US\$5 per item (mailing and handling costs included).

(7) **Other distribution of the journal:** A web version of the journal is accessible worldwide without payment or registration. The journal is distributed free of charge to selected institutions. Other institutions and individuals may purchase it in hard copy at a cost of US\$5/issue.

(8) **Advertisements:** Suitable advertisements will be placed. The price will be calculated at US\$400/page; thus: \$200 for a half page, \$100 for a quarter page, etc.

2. Submission of manuscripts

(1) **Submission methods:** Electronic submission through e-mail is encouraged. A hard copy accompanied by text-data on an IBM-formatted computer diskette would also be acceptable.

(2) **Software:** Microsoft Word files (.doc) are preferred.

(3) **Font:** Use Times New Roman, 10-point, single-spaced; put in boldface type the title and subtitles, e.g. "Costs and Debt".

(4) **Paragraph indentations:** Type four spaces at the beginning of each new paragraph.

(5) **Text format:** Use standard margins. Don't use the "Footnote" or "Header/Footer" features of the word-processor.

(6) **Captions of figures and tables:** Use the full words "Figure" and "Table", e.g. "Figure 1. Annual Income of Different Groups", "Table 1. Annual Increase of Investment".

(7) **References:** In the text, cite references by an author's last name and the year of publication, e.g. "(Smith, 2003)". The list of references should include, for each item, all the authors' last names and initials, the title of the item, and all the details needed to find it, as in the following examples:

[**Journal article:**] Hacker J, Hentschel U, Dobrindt U. Prokaryotic chromosomes and disease. *Science* 2003; 301(34):790-3.

[**Book chapter:**] Berkowitz BA, Katzung BG. Basic and clinical evaluation of new drugs. In: Katzung BG, ed., *Basic and clinical pharmacology*. Appleton & Lange Publisher, Norwalk, Connecticut, USA, 1995:60-9.

(8) **Submission address and editorial office:**

Life Science Journal 2014 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Life Science Journal 2014 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Life Science Journal 2014 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Life Science Journal 2014 free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Life Science Journal 2014. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Life Science Journal 2014 any PDF files. With these platforms, the world of PDF downloads is just a click away.
