Land Of No Christmas:

Land of NO Christmas Christopher Stout, 2014-12-16 It s not easy feeling forgotten This was never more true than the Christmas Eve when Finnegan Easton V turned ten years old It wasn t easy living in Snowdenbeld where snowfall was prevalent 282 days a year But even worse being the eldest son and future heir of the Easton family estate was a fate Finn would have given anything to relinquish He had come to dread birthdays and this one was turning out to be the worst So awful in fact that Finn devised a plan to run away that very night Just before the strike of midnight however Finn found himself the owner of an intriguing family gift which had been passed down for generations But this was no ordinary object in fact it held the secret of a forgotten history thousands of years old Within the flurry of a moment Finn s world is turned upside down as the mysterious object transports him to a land where the true meaning of Christmas has been forgotten The Land of NO Christmas A land arrested in time a land ruled by a terrifying king a land awaiting the arrival of a promised child who would restore everything
