Zoltners, 2001 To boost your sales group s performance give your salespeople very specific assessments and instructions as per authors Andris A Zoltners Prabhakant Sinha and Greggor A Zoltners The trouble here is that the instructions are not only detailed they are highly technical You have to see sales as a science to make the best use of the graphs charts lists diagrams and formulas If you can make your way through the academic writing you ll find some useful hard data such as statistical evidence that backs the need for precise sales performance assessments Despite its lengthy retelling of some very basic sales principles getAbstract com recommends this manual to the audience its authors suggest sales managers top managers salespeople who want to advance professionally divisional presidents and business owners plus business school students If you re going to be academic you might as well learn something *The Complete Idiot's Guide to Buying a Computer* Preston Gralla, 1998-12-31 The Complete Idiot s Guide to Buying a Computer covers ALL the necessary considerations to make BEFORE you purchase that computer What are your computing needs Mobility Ease Portability Power Multimedia features This book leads you through the initial assessment of your computer needs It then takes you through an industry overview of computers desktop vs laptop vs hand held with the inside scoop on the pros and cons of these machines You will learn about clones and how to decide whether or not to make the clone purchase You ll also receive information about where to go to make that computer purchase and where not to go and what kinds of questions to ask A tear out checklist is included to take with you when making your computer investment **The Complete Idiot's Guide to Search Engine Optimization** Michael Miller, 2009 Most businesses depend on their rankings on Google Yahoo and other search engines to drive traffic to their websites The higher a business s ranking the more traffic its site gets Where does a webmaster or online market manager go for advice

and instruction on optimizing a business's website for higher search engine rankings. The few search engine optimization SEO books currently on the market are dated and do not cover the latest local mobile and social marketing techniques. The Complete Idiot's Guide to Search Engine Optimization is a comprehensive up to date easy to use guide for SEO. It starts with a general overview of how search engines and SEO work and then flows into specific techniques for basic website optimization. It addresses the analysis and ongoing maintenance of a site's optimization and finishes with a look at how search engine marketing fits within a company's overall online marketing plan.

In The Complete Idiot's Guide to Search Engine Optimization readers learn:

- How search engines and SEO work
- How to optimize your site's keywords, tags and design
- How to optimize the links to your site, local and mobile searches and social media
- How to apply the strategies to a blog and web videos for search engines
- How to use third party SEO tools
- How search engine marketing fits within a company's overall online marketing plan

Rodale's Nontoxic Back-to-School Shopping Guide Emily Main, Leah Zerbe, Editors of Rodale Books, 2011-08-29. Unfortunately many manufacturers of school related products deserve an F for selling items laced with chemicals that are linked to developmental and learning problems among other ailments. Some of these products also take a toll on the health of our planet adding to the mountains of trash and waste that strain our resources and releasing toxic chemicals that pollute air, water and soil. The good news is that parents, public health leaders and advocacy groups have been calling for safer products and marketers are listening. So there are more and more options for smart choices that protect your family's health. To help you navigate the sometimes confusing array of backpacks, book bags, lunch boxes, art supplies and other educational accessories and separate the truly healthful from the overly hyped, the editors of Rodale Books editors have compiled this unique shopping guide to the healthiest, safest, kid friendliest options on the market today. Based on extensive research and interviews and advice from child health experts, environmental specialists and concerned parents, Rodale's Nontoxic Back to School Shopping Guide covers more than 150 specific products, provides dozens of creative ideas for materials and sources and offers important guiding principles for evaluating other items you may find on your own. It's the ultimate handbook for equipping your kids to have a safe, healthy, nontoxic school year.
