and media commentator and be recognized as a prominent voice in women's leadership all while raising six young children. So how does she do it all? She dives in headfirst and wings it. Women are notorious overpreparers and underestimators when it comes to their own readiness to try something new. But as Emma teaches, what most often holds us back are our own fears, excuses, and doubts. With her revolutionary manifesto *Winging It*, Emma has written a rallying cry for all women to do the things that scare you, build your wealth, make an impact, fail lots, and get up and try again. Through hilarious stories, targeted prompts, and timeless advice, Emma will inspire you to get clear on what really matters and go after your dreams, one messy step at a time. Get ready to stop hiding behind the safe option or the perfect plan and start winging it.

How to Drive a Stick Shift: Full Tutorial for Controlling Your Car in Every Situation Jamison Drechsler, 2021-09-06 Some people call it learning how to drive stick, or how to drive a manual. Whatever you call it, both are the same. Many drivers never learn how to drive a car with a manual transmission or stick shift. The ability to drive a stick shift will allow you to drive any type of vehicle regardless of if it is automatic or manual. You've heard that a driving stick gives you more control of your car in every situation, from a passing maneuver to descending a snowy hill. You've heard driving a stick shift car is more economical at the gas pump. You've heard it's more fun. But you've also heard it's hard to learn. There are gearshifts to master, your engine can stall, your car can roll backward on a hill, and understanding the clutch is a nightmare. So what if I told you using a clutch is no more difficult than using a faucet, or that your car's handbrake is a lot more than just a parking brake, or that I can teach you in one sentence how to avoid ever stalling your engine? I've already taught thousands of people how to drive stick, men and women of all ages, normal people, not engineering students or race car engineers. And I can teach you.

Motor Learning and Performance Richard A. Schmidt, Craig A. Wrisberg, 2000 Dublin born Thomas Southerne has long been admired by scholars as one of the most important dramatists of the Restoration but the lack of a modern edition has prevented his plays from taking their deserved place alongside those of Congreve Wycherly and Etherege This two volume collection based on an exhaustive study of the earliest editions brings together his ten plays and the small surviving body of non dramatic writing Volume Two features two of Southerne s best known tragedies The Fatal Marriage and Oroonoko based on stories by Aphra

Behn and the variants between the censored and uncensored texts of his political tragedy *The Spartan Dame* In addition the introduction contains the first biography of Southerne based on a comprehensive study of the surviving documentary records and the editors have incorporated generous notes to clarify the many contemporary allusions and to relate Southerne's work to its sources and models
