thereby making it much easier to remember them Chinese Character Stories will introduce you to your first 50 Chinese characters and give you a solid foundation to build on towards your total mastery of the language [Pictorial Chinese Characters in Popular Chinese Stories](#) Sam Song,2013-04-23 This book is the revision of the book Learning Chinese The Easy Way Read Understand The Symbols of Chinese Culture 2008 edition This book makes learning Chinese characters fun and exciting This book in both Traditional Chinese and Simplified Chinese is a collection of two stories 1 Two Men and The Bear 2 The Wind and The Sun Sam Song has a way with words To teach he s the best you have heard The books that he writes are such marvelous sights learning Chinese each day word by word Chinese words we can learn very fast And when learned we cry Goodie at last For I must know the end How that story doth wend and to know how it ends is a blast Poet Mrs Carol Creed This books will be a huge help for you if you are thinking about to get better at understanding or remembering Chinese characters This book visually illustrates and explains pieces of every character in two popular Chinese stories Two Men and The Bear and The Wind and The Sun For practicing pronunciation or learning to read the popular Chinese stories in the book the free downloadable audio files ensure that readers learn the correct pronunciation and tone of each character in the book This book and the book Learning Chinese The Easy Way Read Understand The Symbols of Chinese Culture share the same audio files [Nearly Everything about Chinese Characters](#) Gaofeng Wu,2010-11 No further information has been provided for this title [The Logic of Chinese Characters: Mnemonic Method for Learning Chinese Characters](#) Jonathan Contreras Espinoza,2024-02-28 The Logic of Chinese Characters Mnemonic Method for Learning Chinese Characters is a manual designed to facilitate the memorization and understanding of Chinese characters This innovative method employs various pedagogical techniques that make learning to read Chinese characters accessible to anyone Below are some of the techniques used Sorting characters by frequency of use The book begins by teaching the most common and widely used characters so that students can quickly identify the majority of characters in various texts and contexts such as newspapers books the internet etc Teaching pictographic characters Teaching characters that graphically represent objects is prioritized such as K u meaning mouth R n meaning man R meaning sun and Hu meaning fire These characters are easier to recognize and remember due to their visual nature Teaching associative characters or compound ideograms The formation of characters through the combination of two or more ideographic characters is explored This approach uses historical data and imagination to make learning more interesting and natural For example the character M ng meaning bright is formed by combining R representing the sun and Yu representing the moon the two brightest celestial bodies in the sky Another example is M ng meaning bird s voice or chirp formed by the combination of K u meaning mouth and Ni o meaning bird Teaching new vocabulary derived from the combination of learned characters explaining the logic behind the union of these disyllabic words formed by two or even more characters For example consider the character M o meaning hair and the character B meaning writing instrument Their combination gives rise to the word M ob Another illustrative case is the word

Sh u j which translates as mobile phone This word results from the union of Sh u meaning hand and j meaning machine Therefore the literal translation would be machine of the hand which makes a lot of sense especially today as we always carry the mobile phone in our hand Use of simple language and visual support The book employs clear explanations and simple language to ensure understanding In addition illustrations are used to motivate the retention of characters making learning more visual and engaging In summary The Logic of Chinese Characters offers a comprehensive and user friendly approach to learning the Chinese language s writing system providing students with the necessary tools to effectively remember and understand characters
