Learning The Vocabulary Of God A Spiritual Diary:

Learning the Vocabulary of God Frank Charles Laubach, 2012-11 Learning to Speak God from Scratch Jonathan Merritt, 2018-08-14 In a rapidly changing culture many of us struggle to talk about faith We can no longer assume our friends understand words such as grace or gospel Others like lost and sin have become so negative they are nearly conversation enders Jonathan Merritt knows this frustration well After moving from the Bible Belt to New York City he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past This launched him into an exploration of an increasing American reluctance to talk about faith and the data he uncovered revealed a quiet crisis of affecting millions In this groundbreaking book Jonathan revives ancient expressions through incisive cultural commentary vulnerable personal narratives and surprising biblical insights Both provocative and liberating *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them *Wasting Time with God* Klaus Issler, 2001-06-01 *Wasting Time with God* Klaus Issler considers seven character traits and companion disciplines to develop in light of God's friendship with us in order to help us make more room in our lives for him Streams of Living Water Richard J. Foster, 2001-11-27 The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today In this landmark work Foster examines the streams of living water the six dimensions of faith and practice that define Christian tradition He lifts up the enduring character of each tradition and shows how a variety of practices from individual study and retreat to disciplines of service and community are all essential elements of growth and maturity Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these streams **The Living Church**, 1956 **The Expositor and the Homiletic Review**, 1956 Prayer Richard J. Foster, 1992-08-14 Best selling author Richard J Foster offers a warm compelling and sensitive primer on prayer helping us to understand experience and practice it in its many forms from the simple prayer of beginning again to unceasing prayer He clarifies the prayer process answers common misconceptions and shows the way into prayers of contemplation healing blessing forgiveness and rest Coming to prayer is like coming home Foster says Nothing feels more right more like what we are created to be and to do Yet at the same time we are confronted with great mysteries Who hasn't struggled with the puzzle of unanswered prayer Who hasn't wondered how a finite person can commune with the infinite Creator of the universe Who hasn't questioned whether prayer isn't merely psychological manipulation after all We do our best of course to answer these knotty questions but when all is said and done there is a sense in which these mysteries remain unanswered and unanswerable At such times we must learn to become comfortable with the mystery Foster shows how prayer can move us inward into personal transformation upward toward intimacy with God and outward to minister to others He leads us beyond questions to a deeper understanding and practice of prayer bringing us closer to God to ourselves and to our community Each One
