Mead Hall Camelot:

Parted Not by Death J.E. Petersen, 2016-12-23 Parted Not by Death is above all a love story It spans centuries of time based on the premise of reincarnation The two soul mates originally came here from another world Over the course of three lifetimes throughout history they searched for each other again at all costs Because nothing else matters Two alien beings soulmates are forced to flee their homeworld and come to live on Earth A remnant of their race follow in spaceships Over the following ages the soulmate lovers reincarnate here not know each other s identity You will find them in medieval times American colonists and finally in modern times Three other personalities are equally important in all the dramas which follow How do you find your other half true love if you don t recognize them At long last finally they are truly reunited Then a ship returns for the lovers with the offer of returning to the homeworld Will they go Or will they choose to stay on Earth with families and loved ones My story is a fantasy with elements of science fiction Or just perhaps it is based on truth [The Year's Work in Medievalism, 2009](#) Amy S.
