

Answer key for An Introduction to Language 11th Edition By Victoria Fromkin, Robert Rodman, Nina Hyams

An Introduction to Language, 11e Victoria Fromkin, Robert Rodman, Nina Hyams (Answer Key All Chapters, 100% Original Verified, A+ Grade)

Chapter 1

1. *Sound sequences.* Any word that conforms to the sound pattern of English is a correct answer. For example:

Bfiring: *bf* as in *blood*, *ting* as in *bring*

Kraam: *kr* as in *cream*, *aam* as in *am*

Sweirler: *sw* as in *swim*, *irl* as in *girl*, *er* as in *rider*

Kristcheen: *kr* as in *cream*, *i* as in *pit*, *st* as in *street*, *cheen* as in *cheer*

Atlar: as in *atlas*

Oyfo: *oy* as in *oy*, *fo* as in *for*

Existing English words as names of new products are also acceptable: for example, *Kleen* or *Cleen* as the name of a laundry soap.

2. *Grammaticality judgments.* The following sentences are ungrammatical, but note that some judgments may vary across dialects:

- a. **Robin forced the sheriff go.*

The word *to* is missing in front of the verb *go*. The verb *force* requires a *to* infinitive in the embedded clause.

- e. **He drove my house by.*

Particles are preposition-like words that occur with verbs such as *look*, as in *look up the number* or *look over the data*. Particles can occur after their direct object: *look the number up*, *look the data over*. True prepositions do not behave this way. *He ran up the stairs* is grammatical, but **He ran the stairs up* is not. The *by* in *He drove by my house* functions as a preposition and may not occur after the direct object.

- g. **Did in a corner little Jack Horner sit?*

You cannot turn a statement that begins with a prepositional phrase into a question. While you can form a question from *Little Jack Horner sat in a corner* with *Did little Jack Horner sit in a corner*, you cannot question the sentence *In a corner little Jack Horner sat*.

- h. **Elizabeth is resembled by Charles.*

The verb *resemble* does not occur in passive sentences.

- k. **It is eager to love a kitten.*

If the pronoun *it* refers to an animate (nonhuman) thing (e.g., a dog), the sentence is grammatical. If the word *it* is a “dummy subject,” as in *It’s easy to love a kitten*, the sentence is ungrammatical because the adjective *eager* must have a referential subject.

- l. **That birds can fly flabbergasts.*

Flabbergast is a transitive verb; it requires a direct object. Compare *That birds can fly flabbergasts John*.

- n. **Has the nurse slept the baby yet?*

The verb *sleep* is intransitive: it cannot take a direct object (in this case, *the baby*).

- o. **I was surprised for you to get married.*

The passive participle *surprised* cannot be followed by a “for . . . to” complementizer. This is true for a whole set of verbs (emotive verbs), including *amuse*, *amuse*, and *bewilder*. The sentence could be corrected in a number of ways, including changing *for* to *that* and changing *to get* into *got*: *I was surprised that you got married*.

- p. **I wonder who and Mary went swimming.*

This “question” is derived from the more basic sentence *Someone and Mary went swimming*. The coordinate structure constraint (see Chapter 3 for mention, but not a complete description) requires

Language 11th Edition Answer Key Exercise
