students with equitable access to the language and content of school By discussing English language learners ELLs primary language norms positive and negative transfer and culturally sustaining resources this book helps educators understand how to support ELLs use of their primary language as an asset when engaging in English language and literacy learning experiences

Language and Learning in a Post-Colonial Context Marky Jean-Pierre, 2015-09-25 This book explores the social political and historical forces that mediate language ideology and practices in post colonial education and how such ideology and practices influence students academic achievement Jean Pierre provides empirical evidence that a relationship exists between language practices and school underperformance He takes Haiti as the focus of study finding that students and teachers experience difficulty constructing knowledge in a setting in which the language they speak at home Creole differs from the language of instruction French The research is based on ethnographic data collected in classrooms in both private and public school settings in addition to different sectors of the society e g state and private institutions

From Revolution to Chaos in Haiti (1804-2019) Rhodner J Orisma, 2020-01-13 Haiti is a failing state The country is still unable to provide basic needs such as employment food housing healthcare and education to a majority of its inhabitants in over two centuries after its revolution and Independence of 1804 Relatively incompetent both the nation s government and its opposition ignore moral politics and instead focus on corruption and fighting each other Though free from French rule the country remains tied to its slave past and violent history It seems like a socioeconomic and urban consensus cannot be achieved in order to carry out sustainable solutions for the people This book

From Revolution to Chaos in Haiti 1804 2019 Urban Problems and Redevelopment Strategies is an attempt to analyze this situation from a historical perspective First the Haitian Revolution of 1804 is displayed to show the violent and bloody struggles of outstanding leaders and warriors against colonial powers for the making of a great political and independent nation Second Haiti s decline is analyzed starting from the assassination of its first leader Jean Jacques Dessalines in 1806 to the country s bottom rank in the global stratification during the 2010 s along with the impact of the catastrophic 2010 earthquake The main factors noted within this decline are linguistic agricultural urban and HIV AIDS TB healthcare issues and undercapitalization along with ideological confusions capitalism neoliberalism socialism social democracy and political instability
