Learning Alone The True Love Song Of Anxious Attachment:

Learning Alone Bo Sebastian, 2015-01-08 Learning Alone is a conceptual relationship book based on the true story of Anxious Attachment The author Bo Sebastian documents many stories of relationships from childhood to adulthood showing the diverse ways attachment disorder can affect even a spiritual teacher and life coach of twenty five years Dealing with Post Traumatic Stress Disorder and Attachment Disorder can elude even the most diligent of mind From a rocky beginning of sexual abuse and one parent s departure Bo began building unstable relationships unable to see that he tried desperately to heal the two most important hurts in his life Many years of therapy and fights with God and religion brought about the needed change and power to deal with the insecure feelings of old and grasp hold of a new paradigm of healthy relationship using the tools of spirituality therapy and attachment theory Bo ultimately learns that relationship never brings happiness unless happiness first is perceived in the mind of the receiver

Rooted Return Nilton Filho, 2025-11-27 The clay refuses to obey It slumps cracks leans like a drunk dancer Maya s hands stay on it anyway Her teacher does not say Do better He says Feel the earth s pulse Wholeness is not in the perfect bowl It is in the hand that refuses to abandon the collapse This book is written in the wobble It is for every person who has ever believed they must become unbroken before they deserve to be loved For every nervous system that still flinches at loud voices every heart that still checks the exits before it checks in For every human who has mistaken self betrayal for maturity and performance for worth You will meet the woman who quit her six figure job to teach pottery to nurses on night shifts The CEO who fixes radios for widows because his heart now beats slower when his hands remember why they exist The couple who no longer promise forever only today and today I still choose you This is not a book about fixing your cracks It is a book about learning that the cracks are where the light has always lived That wholeness is not a destination on the far side of flawless It is the quiet daily courage to say I am already home in this imperfect body I can love from here I can stay from here I can begin again from here The wheel still spins The bowl still wobbles Your hand stays on the clay This is where wholeness begins
