McMafia A Journey Through The Global Criminal Underworld:

McMafia Misha Glenny, 2008-04-08 Misha Glenny's groundbreaking study of global organized crime is now the inspiration for an 8 part AMC crime drama starring James Norton War and Peace Juliet Rylance and David Strathairn With the collapse of the Soviet Union the fall of the Berlin Wall and the deregulation of international financial markets in 1989 governments and entrepreneurs alike became intoxicated by dreams of newly opened markets But no one could have foreseen that the greatest success story to arise from these events would be the worldwide rise of organized crime Today it is estimated that illegal trade accounts for one fifth of the global GDP In this fearless and wholly authoritative investigation of the seemingly insatiable demand for illegal wares veteran reporter Misha Glenny travels across five continents to speak with participants from every level of the global underworld police victims politicians and even the criminals themselves What follows is a groundbreaking propulsive look at an unprecedented phenomenon from a savvy street wise guide *McMafia* Misha Glenny, 2009 *Organized Crime in Our Times* Jay S. Albanese, 2014-09-25 Provides readers with an understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing *Intelligence Sharing, Transnational Organized Crime and Multinational Peacekeeping* Diane E. Chido, 2017-12-12 This book describes the problems of intelligence sharing among peacekeeping partners mainly due to security concerns and a lack of policies and resources The study posits that the current emphasis on violent extremism as a driver of conflict is misplaced as TOC is a more pervasive cause creating and exacerbating instability to increase its markets and capabilities and is an essential funding stream for violent extremists The book identifies approaches to future missions emphasizing training and resourcing for analysts in the field **An Economic History of Organized Crime** Dennis M. P. McCarthy, 2011-05-15 This book is a comparative study of organized crime groups from five different parts of the world Europe North America Central America South America Caribbean basin Africa and Asia Western Pacific Each part contains two case studies and a shorter essay a vignette From Europe the case studies focus on the Italian mafias and the Russian mafia the vignette on the Albanian mafia From North America the case studies highlight the US Mafia and the Mexican drug cartels the vignette organized crime in Canada From Central America South America Caribbean basin the case studies concentrate on the Colombian drug cartels and gangs of the Caribbean the vignette on organized crime in Cuba From Africa the case studies examine resource wars and Somali piracy the vignette relations among international drugs trafficking organized crime and terrorism in North and West Africa And from Asia Western Pacific the case studies spotlight the Chinese Triads and Japanese Yakuza the vignette relations among international drugs trafficking organized crime and terrorism in Afghanistan Written in non specialist language *An Economic History of Organized Crime* provides an original overview of a crucial problem of our times the growing scourge of global organized crime This book can be read with profit by the general public but it also has value for

academic specialists and professionals in law enforcement
