Shadow Daughter Harriet Brown, 2018-11-06 A riveting provocative and ultimately hopeful exploration of mother daughter estrangement woven with research and anecdotes from an award winning journalist The day of her mother s funeral Harriet Brown was five thousand miles away For years they d gone through cycles of estrangement and connection drastic blow ups and equally dramatic reconciliations By the time her mother died at seventy six they hadn t spoken at all in several years Her mother s death sent Brown on a journey of exploration one that considered guilt and trauma rage and betrayal and forgiveness Shadow Daughter tackles a subject we rarely discuss as a culture Family estrangements between parents and children siblings multiple generations are surprisingly common and even families that aren t officially estranged often have some experience of deep conflicts Despite the fact that the issue touches most people one way or another estrangement is still shrouded in secrecy stigma and shame We simply don t talk about it and that silence can make an already difficult situation even harder Brown tells her story with clear eyed honesty and hard won wisdom she also shared interviews with others who are estranged as well as the most recent research on this taboo topic Ultimately Shadow Daughter is a thoughtful provocative and deeply researched exploration of the ties that bind and break forgiveness reconciliation and what family really means

Daughter Detox Peg Streep, 2017 A self help book based in science the result of more than a decade of research Daughter Detox offers the daughters of unloving mothers vital information guidance and real strategies for healing from childhood experiences and building genuine self esteem Writer Peg Streep lays out seven distinct but interconnected stages on the path to reclaim your life from the effects of a toxic childhood DISCOVERY DISCERNMENT DISTNGUISH DISARM RECLAIM REDIRECT and RECOVER Each step is clearly explained and richly

detailed with the stories of other women approaches drawn from psychology and other disciplines and unique exercises The book will help the reader tackle her own self doubt and become consciously aware of how her mother's treatment continues to shape her behavior even today The message of the book is direct What you experienced in childhood need not continue to hold you back in life What was learned can be unlearned with effort The book begins with DISCOVERY opening up the reader's understanding of how she has been wounded and influenced by her mother's treatment Recognizing the eight toxic maternal behaviors dismissive controlling emotionally unavailable unreliable self involved or narcissistic combative enmeshed or role reversed lays the foundation for the daughter's awareness of how her way of looking at the world connecting to others and ability to manage stress were affected DISCERNMENT delves into the patterns of relationship in her family of origin and how they played a part in her development and then shifts to looking closely at how the daughter adapted to her treatment either silencing or losing her true self in the process Next up is DISTINGUISH seeing how the behavioral patterns we learned in childhood animate all of our relationships in the present with lovers and spouses relatives friends neighbors and colleagues The act of distinguishing allows us to see why so many of us end up in unsatisfying relationships chose the wrong partners or are unable to develop close friendships Active recovery begins with DISARM as the daughter learns how to disconnect unconscious patterns of reaction and behavior and substitute actions that will foster the growth of self esteem Understanding the triggers that set us off the cues that put us on the defensive and the default positions of blaming ourselves and making excuses for other people's toxic behavior are addressed as are unhealthy behaviors such as rumination rejection sensitivity and more RECLAIM is the stage at which the reader begins to actively make new choices preparing herself so that she can live the life she desires by seeing herself as having agency and being empowered Making new choices and figuring out how to manage her relationship to her unloving or toxic mother is the focus of REDIRECT There are stories to inspire and challenge your thinking exercises that show you how to swap out self criticism for self compassion guidance on how to use journaling as a tool of self discovery and growth and advice on goal setting Finally RECOVER challenges the reader to come up with a new definition of what it means to heal suggests tools to overcome the obstacles she places in her own way and strategies to become the best most authentic version of herself

Horrible Mothers Thie Vieira, 2009-08 This seemingly simple but truly complex question True or false My mother was a good woman This item has appeared in one form or another on countless psychological inventories over the years The culturally prescribed answer is of course True Even the people most abused by their mothers tend to rise to defend Mom The rationale varies She was basically good She was never cut out to have children She simply had no idea how to be there for me Perhaps if she hadn t had me Maybe it was I who turned her into a bad mother As early as 1954 in his work with abused children psychoanalyst Ronald Fairbairn observed that a child acknowledging to herself or anyone else that she had a bad mother or that her mother was a bad woman was tantamount to admitting that the child was by association a bad person and so it becomes an act of self preservation to hold that one s mother is good never mind all evidence to the contrary In *Horrible Mothers* psychotherapist Alice Thie Vieira takes us into the world of individuals who have endured devastating damage at the hands of society s most sacrosanct icon the Mother Vieira does so with four chief aims 1 to label abuse so as to be able to acknowledge it 2 to recognize that the sanctification of motherhood is a burden that society has foisted upon them 3 to help mothers understand how their mothering may have hurt their children 4 to help victims of horrible mothering grasp the unfairness of what was done to them to comprehend how it affected their lives and acknowledge what they have endured so as to break free from unhealthy attachments to their inadequate mothers and thus move forward and better realize their potentiality

Adult Daughters of Emotionally Immature Mothers Marisa Donovan, 2025-10-03 Did you grow up feeling unseen unsupported or never quite good enough in your mother s eyes When a parent is unable to provide consistent care and understanding the effects often follow a daughter into adulthood But those patterns do not have to define your future With clarity and encouragement this book helps you understand your past break free from unhealthy cycles and reconnect with your true self Inside you will explore The key traits of emotionally immature parenting and how they affect adult daughters The hidden impact of childhood neglect on

confidence choices and relationships Practical tools to release guilt shame and resentment Exercises to challenge negative self talk and rebuild lasting self worth Step by step strategies for setting healthy boundaries without guilt Reflection prompts to stop repeating toxic patterns and create stronger connections Guidance for rediscovering your authentic identity and values Blending insight with actionable practices each chapter invites you to reflect journal and take meaningful steps toward healing This book is not about blame it is about understanding your story honoring your needs and creating a life rooted in confidence resilience and authenticity If you are ready to reclaim your power and move forward with strength this book will walk beside you every step of the way
