Transformative Education for an Interconnected and Equitable World Elena de Prada Creo, Bo Zhang, Alba Quintairos Soliño, 2023-12-21 Edited by Elena de Prada Creo Bo Zhang Alba Quintairos Soliño **Global Education Monitoring Report** Global Education Monitoring Report Team, UNESCO, 2024-04-25 Annual Report South Africa. Department of Basic Education, 2016 **Annual Report** Mpumalanga (South Africa). Department of Education, 2012 **Twenty Years of Education Transformation in Gauteng 1994 to 2014** Felix Maringe, Martin Prew, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the books chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Educations present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years **Black Youth Aspirations** Botshabelo Maja, 2021-11-10 This book is about how to trigger the capacity to aspire among black youth Examining the transition out of adulthood and imagined futures of black youth Maja helps us understand how black youth aspirations might be raised and how a better future for young people can be achieved Finweek, 2006-07 *Globalisation, Ideology and Education Reforms* Joseph Zajda, 2020-06-17 This book analyses the nexus between ideology the state and education reforms worldwide The research evinces the neo liberal ideological imperatives of current education and policy reforms and illustrates the way these shifts in the relationship between the state

and education policy are affecting current trends in education reforms and schooling around the globe With this as its focus the chapters represent hand picked scholarly research on major discourses in the field of global education reforms Offering a compendium of the very latest thought on the subject this book is like the others in the series a state of the art sourcebook for researchers practitioners and policymakers alike Not only do the chapters offer a timely analysis of current issues shaping education policy research the work also contains ideas about future directions that education and policy reforms could take By doing so it provides a comprehensive view of the diverse and intersecting discourses on globalisation and policy driven reforms in education The book draws on recent studies in the areas of globalisation education reforms and the role of the state Respective chapters critically assess the dominant discourses and debates on education and policy reforms Using diverse comparative education paradigms ranging from critical theory to historical comparative research they focus on globalisation ideology and democracy and examine both the reasons for and outcomes of education reforms and policy change
