It Was All A Lieenglish Edition:

It Was All a Lie Stuart Stevens, 2021-09-14 NEW YORK TIMES BESTSELLER From the most successful Republican political operative of his generation a searing unflinching and deeply personal expos of how his party became what it is today A blistering tell all history In his bare knuckles account Stevens confesses that the entire apparatus of his Republican Party is built on a pack of lies The New York Times Stuart Stevens spent decades electing Republicans at every level from presidents to senators to local officials He knows the GOP as intimately as anyone in America and in this new book he offers a devastating portrait of a party that has lost its moral and political compass This is not a book about how Donald J Trump hijacked the Republican Party and changed it into something else Stevens shows how Trump is in fact the natural outcome of five decades of hypocrisy and self delusion dating all the way back to the civil rights legislation of the early 1960s Stevens shows how racism has always lurked in the modern GOP s DNA from Goldwater s opposition to desegregation to Ronald Reagan s welfare queens and states rights rhetoric He gives an insider s account of the rank hypocrisy of the party s claims to embody family values and shows how the party s vaunted commitment to fiscal responsibility has been a charade since the 1980s When a party stands for nothing he argues it is only natural that it will be taken over by the loudest and angriest voices in the room
