Italian Billionaire's Unexpected Lover Leslie North, Gianpierre Romano is being dragged back to Italy The Romano fortune and name continues to go out on his heels Now he s on the cusp of

achieving international fame for an architectural project in the middle east when he's roped into reconstructing his family's resort. It's a project that Gianpierre has the passion for but not the time to be. That's until he's paired with a pretty project manager who makes him want to get passionate about more than just medieval foundations. Luciana Vivaldi rushed to Italy to care for her after the death of her sister and then fell in love with the culture and people. Beautiful and whip smart, she's been recruited to keep the Romano Resort's hunky structural engineer focused and to take him to task. She's got a passion for organizing and no time for romance that's just a kiss following her. Gianpierre and Luciana do not have time for distractions but when they come to a fate and brisk housing market, leave them living together. Their excuses for staying apart as fast as the foundation. The sparkle is more blinding than a sicilian sunset but when you're in the mood for a lifelong love. Or wants it all fall like a house of cards.

Hurricane Kisses Krista Lakes, Mel Finebrock, 2014-06-27 Love at first sight is something for fairy tales. It doesn't last in real life. Olivia Statler hates Logan Hayes. It's not the fact that he's an executive of a rival travel company or the fact that he's trying to buy her company or even the fact that he won't leave her alone. Two years ago the two of them seemed to have something that was amazing and real but Logan's ego got in the way. When a new resort offers her an all expense paid trip to woo new clients, she figures that a working vacation is just what she needs. As the youngest CEO in the travel business, she's honored and flattered. However, she isn't the only executive that the resort invited. When Olivia sees the broad shoulders and blonde hair of Logan Hayes, her heart races. Half of it is raw sexual attraction, half of it is anger at what he did to her. Logan is determined to reignite their past spark but Olivia does everything possible to avoid him. However, a hurricane strikes and traps them on the island, making it impossible to ignore the changed man in front of her. Only a storm as powerful as their passion will show them love or hate. Can romance survive the storm or will their hurricane kisses be swept away forever?

Everything you hate was done by my father. I don't want your company. His brown eyes were flames and my soul was the moth. I couldn't have escaped from his gaze if I had been blinded. He moved close enough that those eyes were all I could see. I want you. I blinked twice. That was not what I was expecting. His words startled and excited me but before my brain could analyze and process them, his hand was around the back of my neck and his lips were on mine. His mouth was hot and insistent as he pressed it against mine. I fought for a moment but his grip was too strong and his kiss too sweet. It was a kiss I had craved for two years and had tried to convince myself I could do without. I wanted to give in to him completely but I was still too angry to budge even an inch. Instead, I just stood there like a statue as he kissed me. I was furious and turned on beyond anything I could imagine. After a moment, he pulled back and searched my face. What was that for? I surprised myself with the amount of venom in my voice. His kiss had sent want scorching down into the very marrow of my bones but I needed someone to be angry with and he was the closest person. He had hurt me. His eyebrows came together above those beautiful eyes. Hope fell as he saw something in my expression that disappointed him. Without thinking, I put my hand on the back of his neck and pressed my mouth into his. He didn't hesitate kissing me back with a need that matched my
