

Call to Worship

Grace and peace to you in Jesus -
who reminds us that we are deeply loved.
And also with you.

We gather to remember and never to forget,
that God is with us.
God's compassion and hope surround us!

We gather to remember and never to forget,
that God has no favourites.
God loves everyone equally.

We gather to remember and never to forget,
that we are human beings -
all of us beautiful to behold.

We gather to remember and never to forget,
that we are one family - no matter
our nationality, language or religion.

We gather to remember and never to forget,
that Jesus comes to us in the lives of the
vulnerable and oppressed.

We gather to praise God,
to praise God - for today is the day
the Lord has made. Amen.

Methodist Call To Worship Responsive:

Mary J. Scifres, B. J. Beu, 2011-04-01 Worship leaders share a common challenge to provide quality integrated creative worship week after week for congregations hungry for meaningful and fulfilling connections with God. We are honored to offer this resource as part of your journey to help your congregations grow in faith. Many of our readers also find it helpful as a weekly devotional guide or a prayer resource as they gather for lectionary study groups. From the Introduction, Alternative ideas for Praise Sentences and Contemporary Gathering Words are offered for those who work in contemporary worship settings. Now more than ever, The Abingdon Worship Annual is a must-have sourcebook offering countless opportunities for planning meaningful and insightful worship. *Lectionary Worship Aids: Cycle A* James R. Wilson, 1995. The resources in this one-volume library provide a variety of paragraphs and sentences, prayers and calls, and hymn suggestions based on all three Scripture readings for every Sunday of the year. For each Sunday in the lectionary, there are three responsive calls to worship, three collects, three prayers of confession, and three sets of hymn suggestions. While most congregations keep the order of worship consistent from week to week, it is important to continually refresh the components and make them relevant to the day's lessons. This book makes it possible to focus worship on the same lesson on which the sermon is based, or it allows emphasis to be placed on one of the lessons the preacher has not chosen to preach about, or portions can be combined from all three to provide a unity in the lessons. This distinctive resource features specific healing liturgies for injury, illness, death, separation, retirement, and a host of other major life events from a wide variety of religious traditions.
