solitary a feeling as if my husband and I had been exiles for ever The voyage began prosperously I was satisfied with the captain with my cabin with my servant and happy with my lord and master We regretted we had taken our passage in a ship full of troops and anticipated we should be debarred taking exercise on the quarter deck and enjoying ourselves with walk and talk during the fine moonlight nights In the Ely it appeared as if it would be impossible were you to attempt it you would be sure to blunder over some sleeping Lancer However the band was on board some small consolation and as the society was large there was more chance of entertainment
