Journey to Cubeville Scott Adams, 1998-08 Dilbert and his co workers continue to navigate a never ending maze of mission statement rhetoric futile team building exercises and the torments of Dogbert **Popular Stories and Promised Lands** Roger C. Aden, 2007-07-25 Popular culture stories found in comic strips TV programs magazines and movies gain their popularity by evoking our desires and anxieties Aden offers a well constructed argument that creating a sense of place and with it a sense of personal identity and community serves as an important enticement for many popular cultures works Aden handles contemporary theory deftly and does an excellent job of identifying many of the tensions present in 20th century America Quarterly Journal of Speech Stories encountered at the movies on television and in popular magazines are treated as reflections of the popular culture Believing that the American experience has been guided by a normative narrative or grand narrative that constitutes the American dream Aden holds that stories can be used to extract the rules of a narrative determine the direction and identify conceptions of the promised lands for a culture Critical Studies in Mass Communication
