Marriage Charles W. Wood, 1887 *The Reformed and Celibate Pastor* Seth D. Osborne, 2021-12-06 Richard Baxter 1615
1691 was arguably the greatest English Puritan of the seventeenth century He is well known for his ministerial manual *The Reformed Pastor* in which he expressed the unusual conviction that parish ministers were better off unmarried And yet Baxter seemed to contradict himself by marrying one of his parishioners Margaret Charlton Though Baxter claimed to be happily married he continued to champion celibacy for the rest of his life This book explores Baxter's argument for clerical celibacy by placing it in the context of his life and the turbulent events of seventeenth century England His viewpoint was shaped by several factors including the Puritan literature he read the context of his parish ministry his burdensome model of soul care and the formative life experiences shaping his theology and perspective These factors not only explain why Baxter became the only Puritan to champion clerical celibacy but also why he continued to do so even after marrying **Christian Marriage** David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist *Christian Marriage* is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society **Marriage** Eusebio Ramos, 1914 **Humanae Vitae, a Generation Later** Janet E Smith, 1991 Janet E Smith presents a comprehensive review of this issue from a philosophical and theological perspective Tracing the emergence of the debate from the mid 1960s and reviewing the documents from the Special Papal Commission established to advise Pope Paul VI Smith also examines the Catholic Church's position on marriage which provides context for its condemnation of contraception *The Voice of the Bridegroom* Benjamin A. Roberts, 2021-02-02 Preaching is a relational act This book explores the relationship between the preacher and the assembly as a spousal relationship Written by a parish pastor with a doctorate in preaching and rooted in the Roman Catholic notion of the priest as bridegroom of the church this work examines characteristics of the spousal relationship between husband and wife and then provides an analysis of the ministerial priesthood through this nuptial lens This nuptial reflection on the ministerial priesthood is then applied to preaching This book presents a nuptial hermeneutic or vision for preaching and the implications of this vision for the assembly the preacher the homily and the homiletical method The appendices include a one page strategy for preaching summarizing the homiletical method a rubric for homily evaluation by members of the assembly and

Parenthood John W. Swanke Ph.D.,2015-02-27 When a person sets out to do a major project he begins with the confidence
that he will see the task completed Most often the author does not appreciate the effort the work will require when he takes
his pen up Such was the case with this author A little over a year ago the first page of the study was begun There was little
idea of the many hours of study and thought which were yet to be encountered Despite this work the problem of sexual
morality in marriage was a pressing one that urged us on every day Many people were living in a state of doubt and
depression because there was such a variety of opinion about the morality of birth control Almost daily another author wrote
another article or another publishing house placed another title on the bookshelf Each of these works considered marriage
sex or the population explosion Some of these works offered solutions to the problem others merely explored the difficulties
without making any recommendations *Principles of English Canon Law* John Brownbill,1883 **The Hymnal and Order**
