

THE NAMESAKE - JHUMPA LAHIRI

Q1 Do you agree with the title of the novel " the namesake"?

——> I believe that the title of the book is very apt. Ashoke and Ashima named their son Gogol after Ashoke's favorite writer " NIKOLAI GOGOL". Throughout the book we find wars of acceptance and understanding fought between Gogol and his *NAMESAKE*.

Gogol's name made it difficult for him to fit in with his American friends . He started to despise his name and he would have beads of perspiration on his face when teachers would discuss the history of Nikolai Gogol as he went through a very slow and depressing death by starvation and did not live a very luxurious life . After high school he did change his name to "Nikhil".

All his life he thought that the reason he was named gogol was that he was his father's favorite writer , oh boy was he wrong .

Ashoke told him the actual reason behind his name and he narrates a story of 19 year old Ashoke returning to his grandfather's place from jadavpur university via a train . He tells him about the traumatic train wreck . But that night Ashoke survived and in that moment which could have been his last breath , he clutched a few pages of "the overcoat" by nickolai gogol . When gogol Asked " when you hear my name , do i remind you of that night baba?" Ashoke replies "no, it reminds me of everything that followed."
