Namibian Defence Force:

NDF Journal ,1998 *The Handbook of African Defence and Armed Forces* Evert Kleynhans,Marco Wyss,2025-03-01

The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations **Namibian Defence Force journal** ,19?? **Namibia Constitution and Citizenship Law Handboook - Strategic Information and Regulations** IBP, Inc,2013-04-04 Namibia Constitution and Citizenship Laws Handbook Strategic Information and Basic Laws **Constitution of Namibia** Government of Namibia,2022-08-10 The Constitution of Namibia a seminal document adopted on March 21 1990 serves as a beacon of democratic governance and human rights in a region marked by colonialism and socio political upheaval This legal text is not merely a collection of laws but a profound narrative reflecting Namibia s commitment to establishing a constitutional democracy promoting equality and safeguarding the dignity of all citizens Consciously written in a style that balances legal precision with accessible language it incorporates the principles of international law while addressing the unique context of Namibian history culture and aspirations for peace and unity The Government of Namibia as the author of this constitution represents the collective aspirations of a nation transitioning from decades of oppression to self determination Drawing on influences from various international legal instruments and the lessons of its historical struggles the constitution also symbolizes the hard fought journey toward nationhood and reconciliation among its diverse peoples The contributions of key figures from Namibia s liberation

movement are echoed throughout the text infusing it with a sense of purpose and hope I wholeheartedly recommend the Constitution of Namibia to scholars policymakers and anyone interested in the legacy of post colonial governance It is an indispensable resource for understanding the foundations of democracy within Namibia showcasing how law can articulate the ideals of a nation while protecting the rights of its citizens *NDF Journal* ,2010 *SADC Gender Protocol 2015 Barometer* Morna, Colleen Lowe,Dube, Sifiso,2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 *Namibia Review* ,1999 **Work in Progress** ,1990 *Criminal Justice in the Namibian Defence Force* Thomas Jan Lambert,2010-05 The Namibian Defence Force NDF like any other organization is responsible for the maintenance of discipline within its organization Similar to most other defence forces the NDF also has its own legal system within the force In order to determine whether the requirements for a fair trial are complied with the main objective of this work is the investigation into the justice system within the military society which includes the specific procedures the different authorities the rights of an accused and the assurance of a speedy trial The administration of justice within the military must not be regarded as an isolated system but must be measured to the provisions of the civil justice system as well

as the norms set for the society as a whole Therefore the rules of evidence and general principles of a fair trial and principles of justice as applied by the public courts also apply to military courts This work should especially as reference material be useful to military officers and also to the public at large who wish to have a better understanding of the application of justice within a military environment *Public perceptions on the Namibian Defence Force* Linus Shimi Nahole,2014 **African Defence Journal** ,1990 **Namibia's Constitution** Namibia,Association of West European Parliamentarians for Action Against Apartheid,1990 *Namibia* Dawid Hercules Van Wyk,Marinus Wiechers,Romaine Hill,1991 Hansard Namibia. Parliament. National Council,2008 *Asia-Pacific Defence Reporter* ,1991 **Defense & foreign affairs handbook** Gregory R. Copley,2002 **Towards a Common Defence and Security Policy in the Southern African Development Community** Hussein Solomon,2004 From a historical post apartheid perspective this book argues that apartheid destabilisation in the Southern African sub region resulted in a particular form of regionalisation which favoured state security over human security stressed solidarity and regarded external intervention as inimical to its own interests It argues that this stance was fundamentally anti democratic and that its legacy haunts the organs SADC and the SADC Organ on Politics Defence and Security as the premier vehicles for security cooperation in the region The book argues that a further legacy of apartheid destabilisation was to foster national sovereignties at the expense of a collective regional identity the present challenge being for SADC to decide how best to move to considerations of regional security It then addresses issues such as the need to develop a common military doctrine command training and control The book is divided into three parts The first provides historical background to the current developments outlining the challenges facing the region s policymakers and citizens The second part focuses on the nuts and bolts of defence cooperation among the SADC states The final part addresses the SADC Organ on Politics Defence and Security its institutional problems and outlines possible mechanisms for correcting them The contributors are mostly connected with the Africa Institute of South Africa and the University of Pretoria *The Government of Namibia* ,1990 The Constitution of the Republic of Namibia ,2016 The Constitution of the Republic of Namibia has been amended three times by Act No 34 of 1998 known as the Namibian Constitution First Amendment Act 1998 by Act No 7 of 2010 known as the Namibian Constitution Second Amendment Act 2010 and by Act No 8 of 2014 known as the Namibian Constitution Third Amendment Act 2014
