Introduction to Narrative Warfare Ajit K. Maan, Paul Coughlin, 2018-06-16 This book is literally a first of a kind and ground breaking in its intent The intent of this book is to give national security professionals and other interested parties a baseline understanding of narrative and its principles regarding the potential for predictably triggering behavior If we are to succeed on the battlefield of influence understanding narrative is an imperative This introductory study guide describes methods from strategic to tactical to win Narrative Warfare We begin by defining narrative and its four components We move to a description of offensive and defensive narratives and then provide details about the specific type of Narrative Identity Analysis of the target audience that will be necessary in order to put together a comprehensive Narrative Strategy We demonstrate how to trigger identities and frame events in order to completely dominate in Narrative Warfare For a more complete understanding of influence in general and a more well rounded understanding of narratives role in influence it is highly recommended to add Narrative Warfare Dr Ajit Maan 2018 and Information Warfare the Lost Tradecraft Dr Howard Gambrill Clark 2018 to your library Both are Narrative Strategies publications **Critical Narrative Analysis in Psychology** Peter Emerson, S. Frosh, 2004-04-19 This book presents an approach to narrative analysis from a critical social

perspective It describes the background to discursive and narrative approaches and then takes the reader through a variety of analysis at different levels These focus on narrative texts from a boy labelled as sexually abusive analyzed sequentially from micro to more global levels Through this extended example the book demonstrates the power of narrative analytic procedures and the different effects produced by different levels of analysis **Storycraft** Jack Hart,2011 A former managing editor of the Oregonian who guided several Pulitzer Prize winning narratives to publication shares guidelines for writers of nonfiction that encompass such topics as story theory scene establishment and preparing work for submission

The Writer's Daily Practice Danielle Kiowski,2021-01-13 To write a story that captivates readers and stands the test of time you need a daily practice and professional tools In this guide fantasy author and editor Danielle Kiowski rolls out an elegant blueprint for building your practice using Story Grid tools Like all writers you struggle to defeat Resistance and devote proper time and attention to craft You want to get words on the page and above all you want your stories to work Kiowski demonstrates how the Story Grid Rule of 530 can help you establish simple transformative habits to reach those goals What s the Rule of 530 Write 500 words a day and study masterworks of story craft for 30 minutes per day A daily writing and story analysis practice will level up your skills by blending four types of knowledge to help you understand what makes a story great and how to infuse that knowledge into your own stories You ll learn concepts based on Story Grid s methodology put those concepts into practice test your understanding and finally through group study you ll develop new shared insights Beautiful stories don t happen overnight Focus on the process Use the Rule of 530 And find joy in becoming a lifelong storyteller **The Primary Colours of Story** David Baboulene,2020-03-10 A story is a conversation between an author and a receiver The author encodes using knowledge gaps The receiver decodes by providing the knowledge that goes into the gaps The knowledge that goes into the gaps is called SUBTEXT That right there is the substance of every story ever made and will be the substance of yours In the first ever holistic definition of story David Baboulene brings you the ground breaking flagship masterwork of his career in the study of narrative theory This work brings you an intuitive understanding of story plus practical tools and methods for story development analysis problem resolution and evaluation for investment Simple and ground breaking The Primary Colours of Story is a masterpiece
