knows that sponsorship is a key construct for the success of the program because it involves moving a person through the Twelve Step process to recovery In the early days of AA sponsors would come to the alcoholic s home and talk him through Steps 1 and 2 and when they were thoroughly convinced he was ready they would start him on the program Step 12 is the foundation of sponsorships Having had a spiritual awakening as the result of these steps we tried to carry this message to alcoholics to practice these principles in all our affairs Carry This Message addresses McQ s concern that sponsors have lost some skills in working with alcoholics AA sponsors need to refocus on the Big Book on the Twelve Steps and on their message urges McQ to recognize the value of the program and to return to its roots and essence Directed to sponsors this is a companion book to The Steps We Took offering tools for helping others find recovery and new life through the Twelve Step program *Transactions National Safety Council,1970 National Safety Congress Transactions ,*
