African Successes David K. Leonard, 1991-03-14 For the past twenty five years Kenya has progressed while much of Africa has stagnated Instead of the economic disasters underdevelopment and serious food shortages that have plagued its neighbors Kenya has enjoyed an expanding economy and agriculture And instead of a corrupt and incompetent public administration Kenya has established several successful rural development programs run by public servants with integrity and professional commitment What accounts for these Kenyan successes In this innovative study David Leonard illustrates the way public policy is made and implemented in Kenya by focusing on four public officials who have had a great impact on rural development He skillfully weaves his analyses of Kenya's political economic and administrative systems into evocative biographical portraits of Charles Karanja General Manager of the Kenya Tea Development Authority Harris Mule administrative head of Finance and Planning Ishmael Muriithi head of the Veterinary Department and Simeon Nyachae Cabinet Secretary and chief of the Civil Service The result is a fascinating glimpse of Kenyan political life from the inside set in the context of the historical and social forces that have shaped that country's government *Books and Periodicals Online* , 2000 Weekly World News , 1990-06-19 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Accessions List of the Library of Congress Office, Nairobi.

Law and Regulation of Mobile Payment Systems Joy Malala,2017-11-28 Over the last ten years mobile payment systems have revolutionised banking in some countries in Africa In Kenya the introduction of M Pesa a new financial services model has transformed the banking and financial services industry Giving the unbanked majority access to the financial services market it has attracted over 18 million subscribers which is remarkable given that fewer than 4 million people in Kenya have bank accounts This book addresses the legal and regulatory issues arising out of the introduction of M Pesa in Kenya and its drive towards financial inclusion It considers the interaction between regulation and technological innovation with a particular focus on the regulatory tools institutional arrangements and government decisional processes through the examination as a whole of its regulatory capacity This is done with a view to understanding the regulatory capacity of Kenya in addressing the vulnerabilities presented by technological innovation in the financial industry for consumers after financial inclusion It also examines the way that mobile payments have been regulated by criticising the piecemeal approach that the Central Bank of Kenya has taken in addressing the legal and regulatory issues presented by mobile payments The book argues there are significant gaps in the regulatory regime of mobile banking in Kenya The World as a Company Town Elizabeth Idris-Soven,Mary K.
