Britain: Parliament: House of Commons: Committee on Standards and Privileges,2010-01-22 A complaint was made that over
a five year period the Member for Leyton and Wanstead Harry Cohen had claimed more than 100 000 against the Additional
Costs Allowance ACA for his designated second home in his constituency having identified as his main home a house in
Colchester Essex It was also pointed out that there were entries by Mr Cohen in the Register of Members Financial Interests
to the effect that he owned and in one year received rental income from a property in Colchester The Parliamentary
Commissioner for Standards investigated his report appears as an appendix in this document Mrs Cohen s ill health meant
that from April 2004 their constituency home became their main home and the Commissioner finds that Mr Cohen was in
breach of the rules in identifying Colchester as the main home The Committee agrees with the Commissioner that Mr Cohen
should have continued to register the rental income from his Colchester house following the initial registration in 2001 and
notes he has now complied with registration requirements The Committee also agrees that Mr Cohen was in serious breach
of the rules in claiming Parliamentary allowances against the constituency property which was in effect the main home Mr
Cohen should apologise with a personal statement on the floor of the House and the full amount of resettlement grant 65 000
which would be payable when he leaves the House at the end of this Parliament should be withheld *Zion's Herald* ,1909
