Lauren Gardner

Middle School Soccer Off Season Conditioning Packet:

Revolution in the Bleachers Regan McMahon, 2007-04-19 A journalist and mother of two athletic kids exposes the physical and emotional dangers of our over the top youth sports culture and offers practical solutions for positive change A decade ago Joan Ryan's exposé *Little Girls in Pretty Boxes* changed the way we look at elite sports namely figure skating and gymnastics Today there is another crisis in youth sports It may affect any child from the kindergartner on the soccer field to the high school athlete competing for scarce scholarship money Regan McMahon's *Revolution in the Bleachers* is a wake up call for parents who spend their lives shuttling their kids from one field and practice to the next and wonder what happened to family life Have late weeknight practices made family meals a thing of the past Do you spend hours in the car each week driving to games across town or across the state Do you worry that your kids will miss out on competitive experiences college scholarships and other advantages if they do not specialize in one sport early on Do you feel pressured to have your kids join elite club teams with steep fees and demanding travel schedules Do your kids get repetitive stress injuries that necessitate trips to orthopedic surgeons or physical therapists Do you miss your non sports related vacations as a family If so the good news is you are not alone Other parents and kids and even some coaches are on your side And you have a choice Regan McMahon's book began as a cover story for the San Francisco Chronicle Magazine Titled *How Much is Too Much* it got a tremendous response Finally someone had dared to say what many parents were thinking Parents kids and coaches responded prompting McMahon to criss cross the country doing interviews and research to find out how deep the problem goes and how to fix it In *Revolution in the Bleachers* McMahon traces the evolution of the over the top youth culture and gives you a practical plan of action to bring balance back to kids lives and our families McMahon's rallying cry for a revolution in the bleachers could not be more timely or useful for parents trying to do the best for their kids
