answers came about For those men who need more in depth reading I ve included a list of books and websites that may be of interest The stories in this book are real and I am very grateful to the men who have agreed to let their stories be told so that readers may learn from their successes as well as their mistakes Even though some of the stories end in divorce they do not all have unhappy endings for the men who live them It s important to have a woman s point so I have included some of the advice from women on the forum I ve also included celebrity quotes throughout the book
