Midweek Romance The Langley Brothers:

The Langley Brothers Trilogy Sara Hooper, 2014-01-14 This is a specially priced collection of the Langley Brothers series by Sara Hooper. Forty Weeks. Kayla and James are from two different worlds. She is a determined black college student from Oakland, California, and he is a white party boy from the suburbs of Austin, Texas. From the moment they meet, it is magic. Though each one knows that they will go their separate ways soon enough, they are content to just be together in the time they have. Things quickly change when an unplanned pregnancy shatters their plans and forces them to reconsider their relationship. Will they be able to overcome the obstacles that threaten to tear them apart in order to raise their child together? Finally Together. The Langley brothers all lead different lives, but they remained close as they travelled the roads of success and love. When middle brother Roger finds his life suddenly on the path he had always dreamed of, the only thing missing was Jennifer, the love of his life. Would he ever be able to repair the damage done and bring her back to him? Time would be the one to tell in this story of love and loss that takes them to a place they never imagined they would be. **Midweek Romance** Keith Langley is the last single Langley brother. Quickly approaching his forties, his hectic hospital schedule doesn't afford him much time to explore a private life, and the dates he does manage are usually doomed from the beginning. That is until he takes a chance and asks out his beautiful pharmaceutical rep, Caroline. Despite a bad date and some even worse timing, he soon realizes that perhaps what he needed has been right under his nose all along. Will they be able to weather the storms that come their way? **The Publishers Weekly**, 1924 **The Film Weekly**, 1957 *New York Times Saturday Review of Books and Art*, 1969 **The New York Times Review of Books**, 1969 **Break the Rules** Roxie Noir, Levi Loveless has a problem. Someone's been illegally chopping down old growth trees in the National Forest, the one he's supposed to protect, and for all his outdoorsy skills and tree expertise, he's at a loss. Enter June Flynn, former investigative reporter and kid sister of Levi's lifelong best friend. She's only back in town temporarily, but when Levi rescues her from the side of the road during a thunderstorm, he realizes two things pretty quickly: one, she's not a kid any more, and two, June has gotten awfully hot. Getting laid off and dumped on the same day will screw up anyone's plans, so June's taking a few months to recover at her parents' house while she licks her wounds and finds another job. Of course, getting stranded and spending the night at her brother's best friend's house in separate bedrooms because Levi is nothing if not a gentleman wasn't in her plans either. Also not in her plans: Discovering that her childhood crush on Levi Loveless is back and it's all grown up. He claims he doesn't need help solving the tree-killer mystery, but Levi's clearly out of his depth with this one. Before long, they're working together and keeping it a secret from her brother, and when they finally give in to temptation, they keep that a secret too. June's leaving as soon as she finds another job, after all, and Levi can see heartbreak on the horizon. Why ruin two relationships at once? But when June gets a job offer halfway across the country, Levi's got a choice to make: stay in his comfortable, familiar life or risk it all for the woman he loves. **Break the Rules** is the third book in the Loveless Brothers series and can be read as a
