360 Controller Any color is acceptable. Check the back. If the controller uses AA batteries you are fine, if the controller uses a battery pack the seller MUST provide a Play and Charge cable with it.	Play and Charge Cable Required only if the controller being sold has a battery pack.	A/V Cables Must have Red/Yellow/White connections. May have other colors/cables too, but must at LEAST have Red/Yellow/White.	Power Brick/Power Plug Not all power bricks fit all power plugs and systems. Make sure the power brick, power plug, and system are all compatible.	Hard Drive The hard drive is not required when selling a 360. However, the size of the hard drive (if present) determines what type of a 360 you are buying.
