MY AUTOBIOGRAPHY

I am Alea Mae D. Benitez, I was born on May 7, 2000 in Pasay City, Philippines. We are two siblings in the family, I am the second child. My mother's name is Divina D. Benitez from Sorsogon, Bicol. My father's name is Nelson D. Benitez. And he is from Camarines Sur, Bicol.

During weekends, we usually spend our days in the family. We always go to church. We helped each other in our activities. My family was a happy and loving family. I had a happy childhood living with my parents and my siblings. I completed my elementary education at Don Carlos Velez Elementary School. During my junior high school, I completed my junior high school at President Corazon Aquino National High School and I usually spend my time with my friends. Since the lockdown, I have a daily routine with my friend for a Google meet until dawn, and we do various things when we do, such as talk about what is going on in our lives and watch movies that have been shown several times. We have been watched pitch perfect all seasons. I finished it several times. When I am not with them, I watch shows like Mr. Queen and Ghost Doctor. And I am a senior at Pasay City South High School, I work hard on everything I can to get into a good university where I can attend college.

Supporting Reading in Grades 6-12 Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students in grades 6-12 that school librarians and teachers can use collaboratively to enhance reading skill development, promote literature appreciation, and motivate young people to incorporate reading into their lives beyond the required schoolwork. Supporting Reading Grades 6-12: A Guide addresses head-on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits, as well as improve students' motivation and test scores. The book provides a comprehensive framework for achieving this: the READS curriculum, which stands for Read as a personal activity, Explore characteristics, history, and awards of creative works, Analyze structure and aesthetic features of creative works, Develop a literary-based product, and Score reading progress. Each of these five components is explained thoroughly, describing how school librarians can encourage students to read as individuals, in groups, and as school communities support classroom teachers' instruction and connect students to today's constantly evolving technologies. Used in combination with an inquiry/information skills model, the READS curriculum enables school librarians to deliver a dynamic, balanced library program that addresses AASL's Standards for the 21st Century Learner.
