Global Perspectives and Local Challenges Surrounding International Student Mobility Bista, Krishna,2015-12-09

As one of the fastest growing trends in higher education study abroad programs are having a critical impact on the educational landscape While international study programs generate more revenue and promote campus diversity there are several challenges that must be considered when integrating non native students into native universities Global Perspectives and Local Challenges Surrounding International Student Mobility explores comparative research regarding the implementation of effective strategies needed when working with native and non native individuals in educational settings Offering perspectives from international student experiences as well as views on current mobility trends immigration policies and challenges with cultural expectations this publication will be a critical source for educators policymakers and university staff who interact with international students *Phenomenology of Decolonizing the University* Zvikomborero

Kapuya,2020-05-05 The epistemic Eurocentric boarders expand towards the global south they dehumanise and obliterate existing forms of thinking through colonialism and coloniality In doing so the global south has lost the sense of being self Africans have become non thinking objects This has led to a series of ceaseless conflicts poor leadership and developmental crisis and provides fertile ground for Eurocentric superiority This book *Phenomenology of Decolonizing the University* Essays in the Contemporary Thoughts of Afrikology is a diagnosis of the problems of the mind in the global south and provides solutions in the decolonisation of the mind such as humanising the university the rewriting of African stories and facilitates an epistemic rebellion **A Guide to Conducting Research** MAGWA Simuforosa,MAGWA Wiseman,2015-11-10 A Guide to Conducting Research A Student Handbook is a must read for students in higher education institutions The book is specifically aimed at undergraduate and postgraduate researchers The information included will equip readers with an appreciation of research topics designs methods and research reporting for academic purposes The handbook can also be used as a tool by lecturers and professors who are either teaching research methods courses or are supervising students doing projects dissertations or theses The overall purpose is to provide students with the information and skills needed to complete a research report at the undergraduate or post graduate level The handbook comprises eleven chapters each with an introduction body and a summary meant to enhance understanding of the text **English File 4E Elementary Student**

Book Christina Latham-Koenig,Clive Oxenden,Kate Chomacki,Jerry Lambert,2020-07-28 English File s unique lively and enjoyable lessons are renowned for getting students talking In fact 90% of English File teachers we surveyed in our impact study found that the course improves students speaking skills communication and language practice than ever before helping students develop relevant communication skills they can use immediately in the workplace Custard, Culverts and Cake Cara Courage,Nicola Headlam,2017-10-05 Leading scholars from the Academic Archers network combine a love of The Archers with their specialist subjects in Custard Culverts and Cake a sometimes serious but most often wry look at the people

of Ambridge Scholars take on subjects such as food geography social media faith and naturally the Helen and Rob storyline

The UK and European Human Rights Katja S Ziegler, Elizabeth Wicks, Loveday Hodson, 2015-10-22 The UK's engagement with the legal protection of human rights at a European level has been at varying stages pioneering sceptical and antagonistic The UK government media and public opinion have all at times expressed concerns about the growing influence of European human rights law particularly in the controversial contexts of prisoner voting and deportation of suspected terrorists as well as in the context of British military action abroad British politicians and judges have also however played important roles in drafting implementing and interpreting the European Convention on Human Rights Its incorporation into domestic law in the Human Rights Act 1998 intensified the ongoing debate about the UK's international and regional human rights commitments Furthermore the increasing importance of the European Union in the human rights sphere has added another layer to the relationship and highlights the complex relationships between the UK government the Westminster Parliament and judges in the UK Strasbourg and Luxembourg The book analyses the topical and contentious issue of the relationship between the UK and the European systems for the protection of human rights ECHR and EU from doctrinal contextual and comparative perspectives and explores factors that influence the relationship of the UK and European human rights
