Sex Roles and Human Behavior Kay F. Schaffer, 1981 **Men Freeing Men** Francis Baumli, 1985 Journey Across Time Susan Gillerman Boggs, 2022-07-29 Journey Across Time opens a window to life in South Asia which has changed vastly since Susan Gillerman Boggs began living there as a diplomat's wife in 1985. In a captivating first person narrative Boggs takes the reader to remote places many now closed to visitors. She describes experiences both exotic and hilarious and adventures impossible to replicate. The author invites us to share the color and pageantry of festivals, religious rites and parades of caparisoned elephants. She ventured into the Himalayas on perilous roads and was welcomed into a remote land of former headhunters. She dined with royalty and danced with a maharaja, conversed with Mother Teresa, met President Clinton and appeared in a film starring Pierce Brosnan. She survived floods, political assassinations and window shattering bombs. She was bitten by a grouper in a coral lagoon, sneezed on by an elephant and cornered in a cul de sac by angry bulls. Back on the home front the author chronicles the daily joys and frustrations of diplomatic life with its cast of senior officials, mughals, intellectuals and colorful characters. With verve and self-deprecating humor she describes the tribulations of managing a diplomatic household and orchestrating official events despite personal dramas, logistic challenges and power outages. Join her in a truly remarkable Journey Across Time.

Indian Cinema and Human Rights: An Intersectional Tale Adam Dubin, Ruchira Goswami, Ishita Sharma, 2024-11-26 This book examines the intersection between Indian cinema across geographic regions, languages and formats and human rights. It analyzes Indian cinema from multiple human rights perspectives such as freedom of expression and censorship, socio-economic rights, caste rights, women's and children's rights and LGBTQIA equality. The book bridges human rights law and cinema studies and opens up new research areas within sociocultural and socio-legal academic contexts. It also contributes to academic disciplines beyond Law and Cinema including Media Cultural Gender Socio-economic and Sociology studies and is relevant for Liberal Arts curricula, Law Schools and as a reference book in university libraries in India and internationally, especially in film institutes. Finally, the book offers practical implications for human rights activists and policymakers by exploring how rights can be advanced through cinema and pop culture.
