Men Who Sell Sex Global Perspectives Sexuality Culture And Health:

Men Who Sell Sex Peter Aggleton, Richard Parker, 2014-11-13 All over the world men as well as women exchange sex for money and other forms of reward sometimes with other men and sometimes with women In contrast to female prostitution however relatively little is known about male sex work leaving questions unanswered about the individuals involved their identities and self understandings the practices concerned and the contexts in which they take place This book updates the ground breaking 1998 volume of the same name with an entirely new selection of chapters exploring health social political economic and human rights issues in relation to men who sell sex Looking at Europe North America Latin America and the Caribbean Africa and the Asia Pacific each chapter explores questions such as What is known about the different ways in which men exchange sex for money or other forms of reward What are the major contexts in which sexual exchange takes place What meanings do such practices carry for the different partners involved What are the health and other implications of contemporary forms of male sex work Men Who Sell Sex seeks to push the boundaries both of current personal and social understandings and the practices to which these give rise It is an important reference work for academics and researchers interested in sex work and men s health including those working in public health sociology social work anthropology human geography and development studies Sexualities, Transnationalism, and Globalisation Yanqiu

Rachel Zhou, Christina Sinding, Donald Goellnicht, 2021-05-05 This innovative book explores the dynamic and contested interactions including the mutually constitutive relationships among sexualities transnationalism and globalisation Bringing together contributors with a variety of disciplinary geographic and theoretical perspectives this text explores new theories and trends in sexuality research including lived experiences of sexuality in this rapidly globalising world changing relationships between sexualities transnationalism and globalisation interventions activism and policy responses to the global challenges of sexual health and relevant reflections on and implications for equity and social justice in the ongoing processes of contemporary globalisation It is comprised of three sections focusing on transnational sexualities transnational sexual politics and transnational sexual activism Sexualities Transnationalism and Globalisation will be of interest to students and scholars from a range of disciplines and fields including sociology sexuality studies anthropology geography international relations politics and public health **Youth, Sexuality and Sexual Citizenship** Peter Aggleton, Rob Cover, Deana

Leahy, Daniel Marshall, Mary Lou Rasmussen, 2018-10-10 Sexual citizenship is a powerful concept associated with debates about recognition and exclusion agency respect and accountability For young people in general and for gender and sexually diverse youth in particular these debates are entangled with broader imaginings of social transitions from child to adult and from unreasonable subject to one who can consent This international and interdisciplinary collection identifies and locates struggles for recognition and inclusion in particular contexts and at particular moments in time recognising that sexual and gender diverse young people are neither entirely vulnerable nor self reliant Focusing on the numerous domains in which

debates about youth sexuality and citizenship are enacted and contested Youth Sexuality and Sexual Citizenship explores young people's experiences in diverse but linked settings in the family at school and in college in employment in social media and through engagement with health services Bookended by reflections from Jeffrey Weeks and Susan Talburt the book's empirically grounded chapters also engage with the key debates outlined in its scholarly introduction This innovative book is of interest to students and scholars of gender and sexuality health and sex education and youth studies from a range of disciplinary and professional backgrounds including sociology education nursing social work and youth work

Male Sex Work and Society Victor Minichiello, John Scott, 2014-09-23 This new collection explores for the first time male sex work from a rich array of perspectives and disciplines It aims to help enrich the ways in which we view both male sex work as a field of commerce and male sex worker themselves Leading contributors examine the field both historically and cross culturally from fields including public health sociology psychology social services history filmography economics mental health criminal justice geography and migration studies and more Synthesizing introductions by the editors help the reader understand the implications of the findings and conclusions for scholars practitioners students and members of the interested concerned public

The Gay Science Kane Race, 2017-07-28 Since the onset of the HIV epidemic the behaviour of men who have sex with men has been subject to intense scrutiny on the part of the behavioural and sociomedical sciences What happens when we consider the work of these sciences to be not merely descriptive but also constitutive of the realities it describes The Gay Science pays attention to lived experiences of sex drugs and the scientific practices that make these experiences intelligible Through a series of empirically and historically detailed case studies the book examines how new technologies and scientific artifacts such as antiretroviral therapy digital hookup apps and research methods mediate sexual encounters and shape the worlds and self practices of men who have sex with men Rather than debunking scientific practices or minimizing their significance The Gay Science approaches these practices as ways in which we learn to be affected by HIV It explores what knowledge practices best engage us move us and increase our powers and capacities for action The book includes an historical analysis of drug use as a significant element in the formation of urban gay cultures constructivist accounts of the emergence of barebacking and chemsex a performative response to Pre Exposure Prophylaxis and its uptake and a speculative analysis of ways of thinking and doing sexual community in the digital context Combining insights from queer theory process philosophy and science and technology studies to develop an original approach to the analysis of sexuality drug use public health and digital practices this book demonstrates the ontological consequences of different modes of attending to risk and pleasure It is suitable for those interested in cultural studies sociology gender and sexuality studies digital culture public health and drug and alcohol studies

Routledge International Handbook of Masculinity Studies Lucas Gottzén, Ulf Mellström, Tamara Shefer, 2019-11-20 The Routledge International Handbook of Masculinity Studies provides a contemporary critical and scholarly overview of theorizing and research on masculinities as well as emerging

ideas and areas of study that are likely to shape research and understanding of gender and men in the future The forty eight chapters of the handbook take an interdisciplinary approach to a range of topics on men and masculinities related to identity sex sexuality culture aesthetics technology and pressing social issues The handbook s transnational lens acknowledges both the localities and global character of masculinity A clear message in the book is the need for intersectional theorizing in dialogue with feminist queer and sexuality studies in making sense of men and masculinities Written in a clear and direct style the handbook will appeal to students teachers and researchers in the social sciences and humanities as well as professionals practitioners and activists

Sexuality in Adolescence Meredith Temple-Smith, Susan Moore, Doreen Rosenthal, 2015-08-11 Sexuality in Adolescence The Digital Generation provides a comprehensive and up to date overview of research and theory about adolescent sexuality in today s world The book examines biological social and health related approaches and reviews qualitative and quantitative research from psychology sociology epidemiology and medicine emphasising the interplay between perspectives and privileging the voices of young people as they discuss the joys and pains of sexual awakening The focus is on understanding healthy sexual development and its many variations but problems and issues arising as young people make their journey to adult sexuality are also considered The book presents global research on many key issues of our time including the impact of media and technology on adolescent sexuality changes in adolescent sexual behaviors and beliefs sexual risk taking sex education and teen pregnancy and abortion This fully revised and updated third edition of Sexuality in Adolescence also addresses the crucial issues of sexual diversity sexual safety and sexual communication including coercion peer pressure and double standards In Sexuality in Adolescence The Digital Generation the authors aim to promote sexual wellbeing and argue for the importance of the adolescent period as a time for engendering healthy sexual attitudes and practices This book will be valuable reading for students in the social behavioural and health sciences who are interested in adolescent development and the topic of sexuality as well as for professionals working with young people and families

Young People's Lives and Sexual Relationships in Rural Africa Mary Louisa Plummer, Daniel Wight, 2011-08-16 New infections with HIV remain an urgent problem among young people in Africa but many young Africans pursue sexual relationships with little thought about the epidemic This book examines young people s sexual relationships in a region typical of rural sub Saharan Africa and investigates why the risk of HIV infection generally was not a salient concern for them It is based on an extraordinarily large and representative qualitative study that was affiliated with an adolescent sexual health intervention trial and included three person years of participant observation conducted by young East Africans in nine Tanzanian villages The book describes typical patterns of sexual relationship formation in adolescence and early adult life the variety of young people s relationships and practices and the contradictory

social ideals and expectations that led premarital and extramarital relationships to be concealed Young men s main motivations for sex were pleasure and masculine identity while young women s was to receive money or materials to meet their basic needs such as soap or a daytime meal By their late teens most young people had experienced one time sexual encounters open ended opportunistic relationships and main sometimes semi public partnerships Relationships could involve desire possessiveness and affection but romantic idealization of a partner was rare Many young people expected their partners to be monogamous but themselves had had concurrent relationships by age 20 The practice of hiding premarital sexual relationships from adults often also concealed them from other sexual partners which helped maintain concurrency and inhibited realistic risk perception Understanding of the biology of HIV AIDS was very limited Condoms were rarely used because they were associated with reduced pleasure infection and promiscuity Sexually transmitted infections were common but several factors hindered young people from seeking biomedical treatment for them Many instead relied on tradit
