- You may be able to use questions as published or with amendments as suggested in the columns below for Standard Grade and Intermediate 2.
- You must use questions that adhere to the National 5 General Marking Principles and reflect the form of detailed Marking Instructions as published in the National 5 Specimen Question Paper.

- The style and structure matches the Specimen Question Paper for National 5.
- Marking of the learner's response to the question adheres to the General Marking Principles in the National 5 Specimen Question Paper
