Jack Glass Adam Roberts:

Jack Glass Adam Roberts, 2012-07-26 WINNER OF THE BSFA AWARD FOR BEST NOVEL Jack Glass is the murderer We know this from the start Yet as this extraordinary novel tells the story of three murders committed by Glass the reader will be surprised to find out that it was Glass who was the killer and how he did it And by the end of the book our sympathies for the killer are fully engaged Riffing on the tropes of crime fiction the country house murder the locked room mystery and imbued with the feel of golden age SF JACK GLASS is another bravura performance from Roberts Whatever games he plays with the genre whatever questions he asks of the reader Roberts never loses sight of the need to entertain and JACK GLASS has some wonderfully gruesome moments is built around three gripping HowDunnits and comes with liberal doses of sly humour Roberts invites us to have fun and tricks us into thinking about both crime and SF via a beautifully structured novel set in a society whose depiction challenges notions of crime punishment power and freedom It is an extraordinary novel By Light Alone Adam Roberts, 2011-08-18 In a world where we have been genetically engineered so that we can photosynthesise sunlight with our hair hunger is a thing of the past food an indulgence The poor grow their hair the rich affect baldness and flaunt their wealth by still eating But other hungers remain The young daughter of an affluent New York family is kidnapped The ransom demands are refused A year later a young woman arrives at the family home claiming to be their long lost daughter She has changed so much she has lived on light can anyone be sure that she has come home Adam Roberts new novel is yet another amazing melding of startling ideas and beautiful prose Set in a New York of the future it nevertheless has echoes of a Fitzgeraldesque affluence and art deco style It charts his further progress as one of the most important writers of his generation The Black Prince Adam Roberts, Anthony Burgess, 2018-10-04 I m working on a novel intended to express the feel of England in Edward III s time The fourteenth century of my novel will be mainly evoked in terms of smell and visceral feelings and it will carry an undertone of general disgust rather than hey nonny nostalgia Anthony Burgess Paris Review 1973 The Black Prince is a brutal historical tale of chivalry religious belief obsession siege and bloody warfare From disorientating depictions of medieval battles to court intrigues and betrayals the campaigns of Edward II the Black Prince are brought to vivid life by an author in complete control of the novel as a way of making us look at history with fresh eyes all while staying true to the linguistic pyrotechnics and narrative verve of Burgess s best work **Swiftly** Adam Roberts, 2010-09-09 It is 1848 and the British Empire has grown rich exploiting Lilliputian slaves the finesse of their working allowing unheard of feats of minature engineering even Babbage s computing device has been made to work But now the French have formed a regiment of previously peaceful Brobdingnagian giants and invasion looms In a world where humanity is both smaller and larger than it once was love and hate loom large Mankind discovers itself at the centre of scale Lilliputians are twelve times smaller than us but there are those twelve times smaller than them and twelve times smaller again and so on And the scale of being goes up from Swift s giants also Adam Roberts has written both a rip roaring 19th

century adventure a love story and a thought provoking pre atomic SF novel about our place in the universe **The Riddles of The Hobbit** Adam Roberts,2013-11-01 Riddles are threaded through The Hobbit and are key to Tolkien s creative imagination The Riddles of The Hobbit situates this novel and the rest of Tolkien s writing in the context of Old English riddling culture and more modern day examples it sets out to solve the many riddles of the novel in original and often surprising ways The History of Science Fiction Adam Roberts,2016-08-04 This book is the definitive critical history of science fiction The 2006 first edition of this work traced the development of the genre from Ancient Greece and the European Reformation through to the end of the 20th century This new 2nd edition has been revised thoroughly and very significantly expanded An all new final chapter discusses 21st century science fiction and there is new material in every chapter a wealth of new readings and original research The author s groundbreaking thesis that science fiction is born out of the 17th century Reformation is here bolstered with a wide range of new supporting material and many hundreds of 17th and 18th century science fiction texts some of which have never been discussed before The account of 19th century science fiction has been expanded and the various chapters tracing the twentieth century bring in more writing by women and science fiction in other media including cinema TV comics fan culture and other modes *Haven* Adam Roberts,2022-08-16 Young Forktongue Davy has visions epilepsy his Ma calls it He s barely able to help around the family farm But something about the lad is attracting attention the menacing stranger who might be the angel of death himself the women only community at Wycombe Daniel sent by the mysterious Guz They all want Davy for their own reasons But what use can he be to anyone He has visions of flight but how can flight ever be possible in this shattered world A simple farmboy caught up in events beyond his power to control but his visions may be the key to the future **Stay** John Clute,2016-11-24 Stay gathers together 100 000 words of reviews plus short fiction by John Clute and was originally published to coincide with Loncon3 the 2014 World Science Fiction Convention at which he was one of the Guests of Honour Also included is a complete reprint of the text of *The Darkening Garden* **The Best Science Fiction and Fantasy of the Year** Jonathan Strahan,2013-04-18 In print and on line science fiction and fantasy is thriving as never before A multitude of astonishingly creative and gifted writers are boldly exploring the mythic past the paranormal present and the promises and perils of myriad alternate worlds and futures There are almost too many new and intriguing stories published every year for any reader to be able to experience them all So how to make sure you haven t missed any future classics Award winning editor and anthologist Jonathan Strahan has surveyed the expanding universes of modern sf and fantasy to find the brightest stars in today s dazzling literary firmament From the latest masterworks by the acknowledged titans of the field to fresh visions from exciting new talents this outstanding collection is a comprehensive showcase for the current state of the art in both science fiction and fantasy Anyone who wants to know where the future of imaginative short fiction is going and treat themselves to dozens of unforgettable stories will find this year s edition of Best Science Fiction and Fantasy to be just what they re looking for **Historical Dictionary of**

Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject
