Linchpin Are You Indispensable:

Linchpin Seth Godin, 2010 The bestselling author of *Tribes* and *The Dip* returns with his most powerful book yet in which he explores why some people make a difference in their fields and others don't. *Linchpin* Seth Godin, 2010-02-04 This life-changing manifesto shows how you have the potential to make a huge difference wherever you are. Few authors have had the kind of lasting impact and global reach that Seth Godin has had. In a series of now classic books he has taught generations of readers how to make remarkable products and spread powerful ideas. In *Linchpin* he turns his attention to the individual and explains how anyone can make a significant impact within their organisation. There used to be two teams in every workplace: management and labour. Now there's a third team: the linchpins. These people figure out what to do when there's no rule book. They delight and challenge their customers and peers. They love their work, pour their best selves into it, and turn each day into a kind of art. Have you ever found a shortcut that others missed? Seen a new way to resolve a conflict? Made a connection with someone others couldn't reach? Even once? Then you have what it takes to become indispensable by overcoming the resistance that holds people back. *Linchpin* will show you how to join the likes of Keith Johnson who scours flea markets across the country to fill Anthropologie stores with unique pieces; Jason Zimdzars a graphic designer who got his dream job at 37signals without a resume; David who works at Dean and DeLuca coffee shop in New York. He sees every customer interaction as a chance to give a gift and is cherished in return. As Godin writes: Every day I meet people who have so much to give but have been bullied enough or frightened enough to hold it back. It's time to stop complying with the system and draw your own map. You have brilliance in you, your contribution is essential, and the art you create is precious. Only you can do it, and you must.

SUMMARY: *Linchpin: Are You Indispensable* By Seth Godin Shortcut Edition, 1900 **Summary of *Linchpin* by Seth Godin**, 2024-07-13 Book Description *Linchpin* by Seth Godin: Are you Indispensable? A typical workplace consists of two teams: management and labor. Traditionally, the management delegates tasks and the labor follows simple instructions to complete those tasks. This was an incredibly efficient way to do business when people worked in factories and their jobs didn't require them to go above and beyond. The problem, however, is that these people were easily replaceable. And while you may not be working in a factory today, are you dispensable? What makes you different from every other employee willing to do your job? Well, today there is a third team in the workplace: the linchpins. These are the people who figure out what to do when there are no instructions to follow. They love their work, pour their best selves into it, challenge their peers, and turn each day into an art. The best part? You have what it takes to become a linchpin too. To become indispensable. As you read, you'll learn the steps you should take to become indispensable, how to discover your inner artist, and why genuine gift-giving is key to becoming indispensable.
