

Short Poems about Basketball

By Maya Anthony

Court Rhythms

On the court, the rhythm beats,
Players move, in jumps and feats.
The dribble's bounce, a steady sound,
In this game, passion's found.

Swift passes fly, a graceful dance,
In every move, a chance to advance.
The court alive, with each play's thrum,
In basketball's beat, players drum.

In this rhythm, a story told,
Of efforts bold, in orange and gold.
On the court, where dreams take flight,
In each game, a rhythmic delight.

Lined Basketball Poems:

Fast Break to Line Break Todd Davis, 2012-02-01 If baseball is the sport of nostalgic prose basketball's movement myths and culture are truly at home in verse In this extraordinary collection of essays poets meditate on what basketball means to them how it has changed their perspective on the craft of poetry how it informs their sense of language the body and human connectedness how their love of the sport made a difference in the creation of their poems and in the lives they live beyond the margins Walt Whitman saw the origins of poetry as communal oral myth making The same could be said of basketball which is the beating heart of so many neighborhoods and communities in this country and around the world On the court and on the page this poetry in motion can be a force of change and inspiration leaving devoted fans wonderstruck **Basketball**
