Christensen,2022-07-14 The Second Coming of Christ the resurrection of the dead the Final Judgment the Apocalypse is central to Christianity and has evolved throughout Christianity s long history Thus when ecclesiastics brought the Apocalypse to native audiences in the Americas both groups adapted it further reflecting new political and social circumstances The religious texts in Aztec and Maya Apocalypses many translated for the first time provide an intriguing picture of this process revealing the influence of European Aztec and Maya worldviews on portrayals of Doomsday by Spanish priests and Indigenous authors alike The Apocalypse and Christian eschatology played an important role in the conversion of the Indigenous population and often appeared in the texts and sermons composed for their consumption Through these writings from the sixteenth to the early nineteenth century priests official texts and Indigenous authors rendering of them Mark Z Christensen traces Maya and Nahua influences both stylistic and substantive while documenting how extensively Old World content and meaning were absorbed into Indigenous texts Visions of world endings and beginnings were not new to the Indigenous cultures of America Christensen shows how and why certain formulations such as the Fifteen Signs of Doomsday found receptive audiences among the Maya and the Aztec with religious ramifications extending to the present day These translated texts provide the opportunity to see firsthand the negotiations that ecclesiastics and natives engaged in when composing their eschatological treatises With their insights into how various ecclesiastics Nahuas and Mayas preached and even understood Catholicism they offer a uniquely detailed deeply informed

perspective on the process of forming colonial religion

Mapping Ideology in Discourse Studies Simo K.

Määttä, Marika K. Hall, 2022-05-09 Discourse and ideology are quintessential albeit contested concepts in many functionally oriented branches of linguistics such as linguistic anthropology critical discourse studies sociolinguistics and sociology of language With many ways of understanding and utilizing the concepts the line between discourse and ideology can become blurry This volume explores divergent ways in which the concept of ideology may be applied in different branches of sociolinguistics and the sociology of language critical discourse studies and applied linguistics The goal is to provide an overview of the ways in which these two concepts can be used separately or together emphasizing one or the other depending on the ways in which the concepts and their relationship are defined The volume is targeted at scholars working in various fields of linguistics in which discourse and ideology are used as theoretical and analytical tools While the target audience includes both senior and junior scholars a particular goal is to reach junior scholars who often struggle with the distinction between discourse and ideology and their theoretical and methodological potential The volume is suitable for classroom use at the graduate level
