**Human-Computer Interaction - INTERACT 2009** Tom Gross, Jan Gulliksen, Paula Kotzé, Lars Oestreicher, Philippe Palanque, Raquel Oliveira Prates, Marco Winckler, 2009-08-18 INTERACT 2009 was the 12th of a series of INTERACT international conferences supported by the IFIP Technical Committee 13 on Human Computer Interaction This year INTERACT was held in Uppsala Sweden organized by the Swedish Interdisciplinary Interest Group for Human Computer Interaction STIMDI in cooperation with the Department of Information Technology at Uppsala University Like its predecessors INTERACT 2009 highlighted both to the academic and to the industrial world the importance of the human computer interaction HCI area and its most recent breakthroughs on current applications Both experienced HCI researchers and professionals as well as newcomers to the HCI field interested in designing or evaluating interactive software developing new interaction technologies or investigating overarching theories of HCI found in INTERACT 2009 a great forum for communication with people of similar interests to encourage collaboration and to learn INTERACT 2009 had Research and Practice as its special theme The reason we selected this theme is that the research within the field has drifted away from the

practical applicability of its results and that the HCI practice has come to disregard the knowledge and development within the academic community *Searcher*, 2009

**Open Source Ecosystems: Diverse Communities Interacting** Cornelia Boldyreff, Kevin Crowston, Björn Lundell, Anthony I. Wasserman, 2009-05-20 Welcome to the 5th International Conference on Open Source Systems It is quite an achievement to reach the five year mark that is the sign of a successful enterprise This annual conference is now being recognized as the primary event for the open source research community attracting not only high quality papers but also building a community around a technical program a collection of workshops and starting this year a Doctoral Consortium Reaching this milestone reflects the efforts of many people including the conference founders as well as the organizers and participants in the previous conferences My task has been easy and has been greatly aided by the hard work of Kevin Crowston and Cornelia Boldyreff the Program Committee as well as the Organizing Team led by Björn Lundell All of us are also grateful to our attendees especially in the difficult economic climate of 2009 We hope the participants found the conference valuable both for its technical content and for its personal networking opportunities To me it is interesting to look back over the past five years not just at this conference but at the development and acceptance of open source software Since 2004 the business and commercial side of open source has grown enormously At that time there were only a handful of open source businesses led by RedHat and its Linux distribution Companies such as MySQL and JBoss were still quite small
