National Medical Report Hugh Downes:

New York Court of Appeals. Records and Briefs. New York (State)., **The National Union Catalog, Pre-1956**
Imprints Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1968 Chronic Disease in the Twentieth Century George Weisz, 2014-05 Chronic Disease in the Twentieth Century challenges the conventional wisdom that the concept of chronic disease emerged because medicine's ability to cure infectious disease led to changing patterns of disease. Instead, it suggests the concept was constructed and has evolved to serve a variety of political and social purposes. How and why the concept developed differently in the United States, the United Kingdom, and France are central concerns of this work. While an international consensus now exists, the different paths taken by these three countries continue to exert profound influence. This book seeks to explain why, among the innumerable problems faced by societies, some problems in some places become viewed as critical public issues that shape health policy from back cover. Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary, 1964 *Encyclopaedia of Twentieth Century Journalists* William H. Taft, 2015-07-16 Originally published in 1986. This book is a unique compilation of biographical sketches which covers editors, publishers, photographers, bureau chiefs, columnists, commentators, cartoonists, and artists. Alphabetical entries provide overviews of the lives and personalities of a good cross section of important people. There is also a short essay on awards and prize winners. Everything is efficiently indexed. This is a supremely useful reference tool for those in mass media and popular culture fields. *The Price of Health* James A. Gillespie, James Alexander Gillespie, 2002-06-06 This 1991 book is a history of political conflict over health policy in Australia, providing background to an ongoing debate.
