seven decades The journey though not sequential traverses through the necessary stops which had its soft corners and
milestones As he journeys through time and memories Kannan revisits moments from his childhood to his grandson s birth as
he reflects on the instances when either love or fate embraced him sending him in a new direction In recollections that
include precious time spent with his beloved son sister and many others Kannan s heart blooms with happiness as his life
comes full circle and he realizes the power behind a simple hug All You Need is a Hug is a collection of excerpts from one
