

Violence en milieu scolaire

The background image shows a person with long brown hair, wearing a blue long-sleeved shirt and dark pants, sitting on a tiled floor against a brick wall. They have their head buried in their hands, suggesting distress or despair. A black backpack with a blue strap is on the ground next to them. In the blurred background, another person in a pink shirt and blue jeans is walking away.

Linvention De La Violence Scolaire

**Guy Lapostolle, Béatrice Mabilon-
Bonfils, Laurence Maurel**

L'invention De La Violence Scolaire:

L'invention de la violence scolaire Béatrice MABILON-BONFILS, 2005-10-28 Les crises sporadiques qui agitent le système scolaire depuis une vingtaine d'années sont bien plus que la traduction d'un désenchantement de l'école ou d'un malaise enseignant lycéen ou étudiant. Elles sont saisies comme symptôme d'une crise de citoyenneté collective d'une véritable crise du politique. Si la violence scolaire est au cœur d'un malaise dans la citoyenneté, c'est que notre citoyenneté nationale est aujourd'hui confrontée à une implosion, la fois par le haut liée à la mondialisation et par le bas liée à des résurgences plurielles de communautés. Cette rupture du pacte républicain est porteuse de violences scolaires. **Fiches de sciences de l'éducation** Agrégée de sciences sociales. Béatrice Mabilon Bonfils est enseignante à l'IEP d'Aix en Provence, chercheuse associée à l'IREDU CNRS de Dijon.

Guy Lapostolle, Béatrice Mabilon-Bonfils, 2023-09-05 61 fiches synthétiques et problématiques pour réviser tout le cours de Sciences de l'éducation et préparer les concours. Les définitions connaissent les points essentiels, retenir des repères bibliographiques pour aller plus loin.

Harcèlements à l'école Nicole Catheline, 2009-01-14 On m'a traité, je suis nul, tout est de ma faute. Lucas, 10 ans, multiplie les appels au secours depuis qu'il est victime de harcèlements à l'école. Cette histoire banale des milliers d'enfants la vit quotidiennement sous l'œil inquiet de leurs parents, partagés entre culpabilité et impuissance. Ces violences touchent aussi les bons élèves, travers tous ces enfants, c'est l'école elle-même qui est visée. Il n'y a pas d'un côté le harceleur et de l'autre la victime. Derrière chaque fait se cachent une histoire, un contexte, une dynamique qui mettent en jeu agresseur et agressés, mais aussi spectateurs, plus ou moins actifs. Forte de son expérience de psychopédagogue, Nicole Catheline analyse ces processus complexes et souligne le rôle régulateur que devraient jouer les adultes, parents et enseignants. Vivre sa scolarité en sécurité est un droit fondamental de l'enfant, cela suppose de surveiller et punir, mais aussi d'écouter les enfants, d'aider les parents et de mettre en place des politiques éducatives appropriées. Il en va de la responsabilité de tous d'œuvrer pour une école apaisée.

Agir en fonctionnaire de l'État et de façon éthique et responsable (sujets corrigés) Guy Lapostolle, Béatrice Mabilon-Bonfils, Laurence Maurel, 2011-01-26 La réforme des concours de l'enseignement a introduit une nouvelle preuve commune à l'ensemble des filières. D'ormais, les candidats sont aussi évalués sur leur capacité à agir en fonctionnaire de l'État, de façon éthique et responsable. En tant que futur professeur fonctionnaire, le candidat doit montrer qu'il sera capable de transmettre les principes et les valeurs de la République. Il doit aussi connaître l'organisation générale du système éducatif et des établissements scolaires. La preuve peut donc devenir bien vite déroutante pour celui qui ignorerait ces règles et leur articulation avec de nombreux travaux issus des sciences de l'éducation ou des sciences humaines et sociales en général. **Éléments pour la** D'abord, il faut lire le présent ouvrage rédigé par des enseignants formateurs expérimentés et reconnus. Les auteurs proposent tout d'abord des conseils méthodologiques accompagnés d'une lecture du texte officiel afin d'y voir plus clair dans les attentes des jurys. Puis, ils passent en revue l'ensemble des connaissances exigées et des questions possibles. Enfin, ils traversent 22 sujets corrigés et commentés. La preuve ne devrait plus avoir de secret pour le candidat.
