Nathan Hurwitz

Live Out Loud A Little Princess Lyrics:

Live Out Loud Heather Wardell, 2011-08-31 Amy is a hobbyist songwriter with big dreams but not the usual making it as a musician kind. No Amy wants to honor her late best friend by finally starting the support center for teenage girls they dreamed of when they were just girls themselves. She doesn't know where to start but when one of her songs becomes an overnight internet sensation she sees a quick path to the money she'll need to make the center a reality. As white hot pop sensation Misty Will Amy finds a whole new world opening to her and realizes she loves being on stage holding an audience spellbound. She also loves how her young fans look up to her and draw strength from her songs but of course they don't know the awful thing she did after her friend died and how badly she could have used a support center herself. She knows though and also knows that she simply has to leave her new pop princess identity behind and become Amy the center director as she dreamed of for eight years. Doesn't she?

Songwriters of the American Musical Theatre Nathan Hurwitz, 2016-09-01 From the favorites of Tin Pan Alley to today's international blockbusters the stylistic range required of a musical theatre performer is expansive. Musical theatre roles require the ability to adapt to a panoply of characters and vocal styles. By breaking down these styles and exploring the output of the great composers Songwriters of the American Musical Theatre offers singers and performers an essential guide to the modern musical. Composers from Gilbert and Sullivan and Irving Berlin to Alain Boublil and Andrew Lloyd Webber are examined through a brief biography, a stylistic overview and a comprehensive song list with notes on suitable voice types and further reading. This volume runs the gamut of modern musical theatre from English light opera through the American Golden Age up to the mega musicals of the late Twentieth Century giving today's students and performers an indispensable survey of their craft.
