AP Human Geography Crash Course Christian Sawyer, 2018-09-24 REA s AP Human Geography Crash Course is the first book of its kind for the last minute student or any AP student who wants a quick refresher on the course. Written by an AP teacher, the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Human Geography exam. A student-friendly review in outline format covers everything AP students need to know for the exam: models in AP human geography, population, cultural patterns and processes, agriculture and rural land use, industrialization and economic development. With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author includes test-taking strategies for the multiple choice and free response exam questions so students can build their point scores and get a 5.
