**Charles Dickens Collection - a Tale of Two Cities and Mugby Junction** Charles Dickens, 2018-05-11. The premier novel of the French Revolution by England's greatest author. Set against the bloodthirsty backdrop of revolutionary France, this monumental saga, one of the most famous works in all of literature, is at its heart the story of a beautiful woman and the two men who compete for her love: Charles Darnay, a French aristocrat who renounces his heritage yet stands accused of treason in the rush to the guillotine, and Sydney Carton, a disillusioned English barrister who finds his salvation in the ultimate act of sacrifice. Though he ranked as the most popular Victorian era novelist by far, Charles Dickens craved creative innovation and often collaborated with other writers of the era. This clever collection of collaborative stories, written by Dickens and a who's who of Victorian literary luminaries, is a series of linked tales that all relate to railway travel in some way.
