

A photograph of two pink lotus flowers in full bloom, surrounded by large, dark green lily pads. The flowers have multiple layers of petals, with some showing a gradient from light pink to a deeper pink at the edges. The center of the flowers reveals yellow stamens. The background is a dark, still pond.

Lotus Of Another Color:

A Lotus of Another Color Rakesh Ratti, 1993 An Unfolding of the South Asian gay and lesbian experience Gay men and lesbians from India Pakistan and other South Asian countries tell their stories **Q & A Queer And Asian** David L. Eng, Alice Y. Hom, 1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation **A Patchwork Shawl** Shamita Das Dasgupta, 1998 A Patchwork Shawl sheds light on the lives of a segment of the U S immigrant population that has long been relegated to the margins It focuses on women s lives that span different worlds Bangladesh India Pakistan and the United States This collection of essays by and about South Asian women in America challenges stereotypes by allowing women to speak in their own words Together they provide discerning insights into the reconstruction of immigrant patriarchy in a new world and the development of women s resistance to that reconstruction Shamita Das DasGupta s introduction also acquaints readers with the psychological topography of the South Asian community A Patchwork Shawl considers topics from re negotiation of identity to sexuality violence to intimacy occupations to organizing within the community The essays bear witness to women s negotiations for independent identities their claim to their own bodies and the right to choose relationships based on their own histories and truths They bring new understanding to the intersection of gender ethnicity race sexuality and class Current Research on Bisexuality Ronald Fox, 2013-04-03 Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual
