Joseph Stallings, 2020-08-31 Are there sufficient evidences to plausibly warrant positing a global Noachic Flood within the auspices of a specific Old Earth biblical paradigm If so what are they It is our firm conviction that God has allowed the passage of time to cover the blatant earthen signs of the Noachic Flood in such a way and just enough as to require earnest seekers of truth to use their eyes of faith and their vision of the kingdom metanarrative along with their empirical sight and senses to view and interpret the richness of the evidence Prerequisites in this quest include a great respect for the authority of Holy Scripture a pure heart with a simple desire for God s truth and a relentless willingness to look for both the forest and the trees viz to see the multitudes of seemingly unrelated small scenes always in light of the big picture The negation of any of these necessities will completely nullify the veracity of one s conclusions However we strongly aver that the totality of these necessities can bring the historical truth of the mystery of the Noachic Flood into a much much greater clarity *The Purpose Pursuit* Hannah Miller, 2025-12-16 What if there is more to your life than this For so many of us the ever present list of daily demands can mean that we end up settling for a life that s different to the one we once imagined But there is a way
