Lifestyle Worship Poems Prayers And Ministry Resources:

Lifestyle Worship Steven Brown, 2015-01-06 Today I want to tell you just how special you are First you are unique and different God made you that way There is no man women or child quite like you In fact there has never been anyone in the history of the world like you You are not one in a million you are one in six billion Use these differences to glorify God Be excited about being different God made you to be you and not to pretend to be someone else God made you with a purpose in mind Your house your office your community your family your school your church they just aren't the same without you God made you with a purpose in mind He made you to solve a problem in this world Somewhere there is a person that only you can reach a life that only you can touch a situation that only you can fix a hurt that only you can heal This is who God made you to be God was delicate and deliberate in creating you Every detail every hair each unique fingerprint and every nook and cranny He knows your name He chose you You are adored You are famous in His eyes God spoke billions of galaxies into existence but the crown of His creativity is you Not the Great Barrier Reef or Mount Everest or Victoria Falls it's you He fashioned you with the utmost of care You wear a crown of glory and honor in His immense world When you look into the mirror you see scars pain wrinkles misery despair sorrow tired eyes eyeglasses thinning hair and a paunch God sees glory and honor reflecting in your light But God also made you with unique quirks with troubles and with weaknesses because it is through your weaknesses that God is made strong It is through our weaknesses that we learn to rely on God's graces In His kingdom the weakest is the greatest He can use you in a mighty way You are not a mistake You have too many exquisite details to be a mistake The Lord your God is with you the Mighty Warrior who saves He will take great delight in you in his love he will no longer rebuke you but will rejoice over you with singing Zephaniah 3:17 We all do not serve God in the same way God doesn't want to create a drone army of people who walk alike talk alike sing alike look alike dress alike or act alike God wants his people to be unique chosen royal and special in every way Jesus paid the ultimate price for you Because you are worthy in His eyes He has forgiven you past present and future He loves you and He wants you to love Him There is nothing more remarkable than this We call this the gospel It's a huge deal There is nothing on this earth or in this galaxy that tops the love and the passion that God has for you You are his dear child When you have come to grips with this reality I am convinced that your lifestyle will also be one of worship It has to be There is no other way This is the reason behind this book

Poetry, Practical Theology and Reflective Practice Mark Pryce, 2019-03-13 This groundbreaking study offers an innovative critical analysis of poetry as a resource for reflective practice in the context of continuing professional development In the contemporary drive in all professions for greater rigour in education training and development little attention is paid to the inner shape of learning and meaning making for individuals and groups especially ways in which individuals are formed for the task of their work Building on empirical research into the author's professional practice the book takes the use of poetry in clergy continuing ministerial development as a case study to examine the value of poetry in professional learning Setting

out the advantages and limitations of poetry as a stimulant for imaginative critical reflexivity and formation within professional reflective practice the study develops a practical model for group reflection around poetry distilling pedagogical approaches for working effectively with poetry in continuing professional development Drawing together a number of strands of thinking about poetry Practical Theology and reflective practice into a tightly argued study the book is an important methodological resource It makes available a range of primary and secondary sources offering researchers into professional practice a model of ethnographic research in Practical Theology which embraces innovative methods for reflexivity and theological reflection including the value of auto ethnographic poetry
